

## PLEASANT HILL MIDDLE SCHOOL/HIGH SCHOOL ANNOUNCEMENTS

September 13, 2023

Friday will be an early release day, with classes ending at 1:35. We will also be on a Friday Pep Assembly bell schedule.

### CHROMEBOOK UPDATES

If your students are having trouble getting into Google Classroom or other things they should have access to, it's probably because the Chromebook needs updating. To update a Chromebook, do the following:

1. At the bottom right, select the **time > Settings**
2. At the bottom left, select **About ChromeOS**.
3. Under "Google ChromeOS," find which version of the Chrome operating system your Chromebook uses.
4. Select **Check for updates**.
5. If your Chromebook finds a software update, it will start to download automatically.
6. You may need to **restart** the Chromebook for the update to finish installing.

### CHROMEBOOK CASES

All Chromebooks must remain in the PHSD cases provided. If a damaged Chromebook is found to be out of the case, the parent or guardian will be charged the full cost of the Chromebook repair, as stated in the Chromebook Responsible Use document.
