

## Poland Seminary Junior/Senior High School

### STEP MEMBERSHIP

**Dear Parents/ Guardians/ Teachers,**

As we begin a new school year, we take this opportunity to ask for your active participation as a member of STEP. STEP (Students, Teachers, Educators, Parents) is the parent-teacher organization at the high school level.

Our organization in years past has hosted the Open House, Senior Academic Banquet, Senior Breakfast, helping classroom needs and Teacher Appreciation as well as awarding two \$500 Senior scholarships. In addition, our goal for the Junior High students is to keep events similar to what they have had in years past. Last year we had a JR High fun day, 8<sup>th</sup> grade academic night and holiday treats for all students at the High School.

Please help us by supporting our fundraising efforts which include this membership drive. As a friendly reminder you do not have to attend any meetings or volunteer if you are not able.

Please take this opportunity to help us build lasting memories for our students. The cost of the membership is only \$15 individual and \$20 for a family.

**However, you must belong to STEP to be able to volunteer at any STEP related activity/function or attend any field trips.** Please fill out the form below with your choice of payment. We accept cash or check (payable to Poland High School STEP). Venmo is also available @PSHS-STEP. You can turn in your membership to the school’s main office in an envelope labeled STEP, or mail it directly to Judy Nittoli, 8640 Four Seasons Trail. Questions? Call or text Judy Nittoli at (330) 519 -6404
