Sayre Spartan Strong Blood Drive

Wednesday, September 13, 2023

WHAT: Sayre and the American Red Cross will hold their fourth blood drive within a year **on Wednesday, September 13, 2023**. Sayre's blood drives have collected over 119 units of blood from 132 donors.

WHO: The Sayre community along with family and friends are invited to donate blood.

WHEN: **Wednesday, September 13, 2023, 12:00-5:00 p.m.**

WHERE: **C.V. Whitney Gymnasium, 194 North Limestone Street, Lexington**

WHY: There is much excitement amongst students who have seen the drives over the past two years and are now 16 and eligible to donate. So far, we have 17 first-time student donors signed up for the drive. To date, we have 38 donors signed up for the drive. The Red Cross goal for Sayre is 40 units, allowing us up to 55 appointments per drive. The need for blood is constant. Every two seconds, someone in the United States needs blood. The Sayre community understands that one donation can help save more than one life. Join us in helping to save lives.

Our Mission:

Sayre School provides an innovative and inclusive learning environment that empowers students to achieve academic excellence, embrace challenge, and cultivate integrity in order to lead purposeful lives in an ever-changing world.
