IV. General

A. School Health Unit Application Approval

Mr. Nelson explained that each year the school committee must approve the School Medication Administration Application to submit to the Department of Public Health. This application allows for our school nurse to train administrative staff and teaching staff to administer medication to students as appropriate and needed on school grounds and on field trips or during extra-curricular events. The application that was provided to the school committee in your back up information has been reviewed and endorsed by Nurse Megan Morais, Dr. Reynolds, the school physician and himself.
