FY22 BUDGET PUBLIC HEARING- Superintendent Nelson made the following statement:

Good Evening – everyone – tonight our first order of business is the FY22 budget public hearing for the Marion School District. The budget development process started in late fall/early winter and required numerous meetings to strategize the financial direction of Sippican School moving forward. Ms. Smith and Mr. Dickerson our school committee member representation - listened to our administrators share their visions for their school buildings moving into next year and collaborated with central office administrators, the town administrator, and FINCOM representation to bring forth tonight's FY22 budget proposal. During the budget development process, we assessed and considered the financial climate, our immediate school programming needs, discussed our known needs in coming years, and prioritized what we know about our students, families, and staff members' needs heading into the 2021-2022 school. The impact and reality of the COVID-19 pandemic also has played a major role in the budget process. As a result – tonight Mr. Barber our Assistant Superintendent of Finance & Operations will present our FY22 budget proposal. We feel this budget represents not only a fiscally responsible proposal – but a budget that allows us to continue to service our students' and families' – meeting our educational expectations. I want to thank all those to have contributed to this process and Mr. Barber for his financial leadership during this process.

Mr. Barber made the following statement:

On behalf of the Superintendent and myself, I would like to express our appreciation to all of the members of our Staff, Administrators, School Committee Members, Town Officials and Committee Members, and last but not least our Students and Families that we have built this budget to provide the Highest Level of Education for.

Mr. Barber, Assistant Superintendent of Finance & Planning presented the following information on the FY22 Budget.

Questions/Feedback from School Committee:

Ms. Daniel expressed that she would like to thank Mr. Barber and the administrative team for putting this budget together, she expressed that keeping the budget under the 2.5% to present to the Town is a huge accomplishment and especially with level staffing, she expressed that is impressed and she just wanted to thank everyone again. She expressed that it's not easy to accomplish and the hard work certainly shows.

Mr. Nelson thanked Ms. Daniel for pointing that out, he expressed that being four separate districts in the Tri-Town and really looking at one school we have to really capitalize on different opportunities regarding revenue streams or changes within the building, and he expressed they were really able to look at those and make good use of the CARES support that we were given through the Town and have open conversations with our budget sub-committee and stakeholders and not only be able to maintain a level service but also add additional resources to critical areas that we have been talking about for a number of years and he knows those have been really important to Principal Sirois since she came on board, regarding training with literacy and continuing to build upon the social emotional program. Mr. Nelson also thanked the Town of Marion for their support and guidance during this process and being open minded as we articulated our current needs and visions.

Ms. Rios expressed her feelings are pretty much the same as Ms. Daniel, she expressed her gratitude across the board.

Ms. Beauregard also thanked Mr. Barber for a great report.

Ms. Smith expressed that as a member of the budget sub-committee in her mind the process from the beginning to end was amazing, she expressed the Mr. Barber, Mr. Nelson, Principal Sirois worked very well together and problem solved, they were creative and it was an open and transparent process. She also thanked the Town of Marion for working with the Marion Public Schools.

B. Full In-Person Pivot

Superintendent Nelson made the following statement:

As you all are aware – we are back! We officially pivoted grades 3 through 6 to full in-person learning this past Monday. It is important to note that families continue to have the option of remote learning for this academic school year if it best meets their student’s needs. I want to thank our administrators, the teachers, staff members, and other stakeholders for helping us navigate our full return. I also want to thank our parents, guardians, and students for their unwavering patience, resolve, and support. Change is never easy and we have had plenty of it this particular school year. Prior to the recent pivot – we surveyed our families once again asking for them to select either full in-person learning or remote learning moving forward. In addition, we asked about their needs for transportation and food services. Tonight, you will hear a presentation from Principal Sirois outlining the highlights of the full in-person pivot that recently occurred – while providing us an update on how the first three days have gone. The major changes in our school based on updated in-person guidance released by the Department of Education are

- social distancing between students should be three to six feet,*
- all desks should be facing the same direction,*
- staff members should maintain six feet of distancing from others,*
- six feet of distancing between all individuals during meal times,*
- all individuals in our school buildings should be wearing masks, and others recommendations,*

Our main goals remain teaching and learning, social emotional well-being, and maintaining safety in the current covid-19 environment. At this time, I would ask Marla to present to the school committee.

Principal Sirois reported the pivot at Sippican School has gone very well, she expressed that she believes they have had a smooth transition. Principal Sirois presented the “Full In-Person Pivot” to the school committee. Please see attachment A.

Mr. Nelson thanked Principal Sirois for her presentation and expressed this had been their goal since the beginning of the school year, however we do understand that each family needs to make decisions in terms of what’s best for them in terms of learning models. Mr. Nelson reported that two learning models continue to be offered, full in-person and remote learning for the remainder of the school year.

Questions/Feedback:

Ms. Smith asked if a lot of families chose to go to remote learning when the full in person pivot started or vice versa. Ms. Sirois reported that they didn’t have any students go from in person to remote and she also reported a decrease of remote students.

Ms. Smith also asked about the social emotional health of the students. Ms. Sirois reported that every family is having a different experience and the staff is meeting every family where they are. She reported that they are sharing a counselor from Highpoint with the High School and she currently does not have any slots open, there is currently a waitlist. She reported that Bethanie Cusick who also works in the building as a Social Worker, also has a waiting list and Shannon Ahern who is our in-house Social Worker who is .4 doesn’t have any room in her schedule, she reported that they are making use of all their resources and we need every minute of their time, she expressed she’s extremely thankful for the increase in the social worker position for next year.

Ms. Smith expressed that she believes we will see the impact of this pandemic for a long time to come. She thanked all the teachers, administrators and staff for all their hard work as well as the students and parents.

C. Approval of Memorandum of Agreement

Mr. Nelson expressed that he briefed the school committee in executive session and would make the recommendation that the MOA be approved as presented. Mr. Nelson thanked the Association and the School for their support. Ms. Smith also thanked administration and the association for working so well together.

Motion to approve the MOA as presented
MOTION by Ms. Rios
MOTION Seconded by Ms. Beauregard

E. School Calendar Discussion

Superintendent Nelson made the following statement regarding the school calendar for the 2021-2022 school and shared the information below:

Tonight we are sharing the first draft of the 2021-2022 school calendar with this committee. It has been shared with the leadership team, who will share it with their school council for feedback, and we have also shared with the associations for initial thoughts. We are not seeking a vote tonight, but instead a review and discussion of the draft calendar. It is important to remember that the school calendar will ultimately be voted on by the Joint School Committee later this school year.

Starting with August:

- New teacher orientation would be held on August 26th
- All teachers would return for staff orientation on August 30th
- The first day of school would be August 31st

Moving to September:

- September 3 (a Friday) there would be no school in anticipation of labor day weekend
- September 6th would be no school recognizing Labor Day
- On September 22nd – there would be an early release professional development day

On to October:

- Our schools would recognize Columbus day on October 11th

- And then on October 21st and October 22nd the elementary schools would have early releases for parent conferences

As for November:

- The 11th would be no school in honor of Veterans Day and the 12th would be a full professional development day for teachers and staff
- Thanksgiving break would start on the 24th through the 26th

In December:

- We are recommending an early dismissal on December 23rd and then school vacation through the 31st

January:

- Students would return on the 3rd
- We would celebrate Martin Luther King Day on the 17th
- And on the 18th we would hold a full professional development day for teachers and staff

Moving to February:

- The 9th would be scheduled for an early release day for professional development and
- School vacation would start on the week of the 21st

On to March:

- The 9th we would utilize another early release day for PD purposes
- And on the 24th and 25th – only Mattapoisett Elementary Schools would have an early release for parent contracts per the current contract

Now April:

- In April school would be out from April 15th to April 22nd for school vacation

As for May:

- Students would be in school regularly with the exception of May 30th that honors Memorial Day.

And June:

- June 1st would be the last professional development early release for the school year
- With no snow days – the 16th would be our last day of school
- This calendar has built in an additional five schools to account for possible snow days.
- Additionally, depending on the last day of school – Juneteenth would be recognized on June 20th

At this time – I would ask the school committee to discuss the 21-22 draft calendar and share initial thoughts and feedback for consideration.

Questions/Feedback: There were no questions or concerns regarding the school calendar at this time.

**F. Equity & Inclusion Survey Discussion-
Superintendent Nelson made the following statement:**

As discussed at our school committee meetings the Anti-Racism Sub Committee has had an active school year building off of the work that started last year. We have met regularly to discuss our sub-committee structure, goals, and action plan. We have started working with outside consultants to tap into their expertise and bring community events to families. One of the goals has been to solicit student voice regarding equity and inclusion in our schools. Recently, we completed a grade 6 through high school survey of our students to gain greater insight into the equity and inclusion culture of our buildings. Our administration has begun unpacking the results, most recently taking part in training offered by our survey vendor – Panorama to best understand how to analysis our results and plan for next steps. Tonight, Mr. Davidson – will present the key findings of our survey to all of you with the support of Principal Sirois. It is truly exciting to have student data to drive our current and future work.

Mr. Davidson presented the Equity & Inclusion Survey. (please see attachment B). At the end of the presentation Mr. Nelson expressed that the most important piece to take away from this presentation is that this that the administration wants to be clear that the commitment towards this work is ongoing, he expressed we have to continue these conversations going and looking at our action plans and making sure those meet the needs of our students, our staff members and our families.

Questions/Feedback:

Ms. Smith expressed that she knows this is a districtwide initiative and she asked if there were any surprises when the data was unpacked across the district. Mr. Nelson expressed that his two take a ways were a) making sure our curriculum is representing a balanced story, that were creating opportunities for our students and expose them to enter them into a world of global citizenship, which is one of our core strategic goals in Vision 2023, he expressed the other piece that we heard is that our students are ready to talk about these topics and we need to create on going opportunities for them to be able to do so on a regular basis.

V. New Business

C. Business

1. Financial

Mr. Barber reported that as of April 5, 2021 the Marion Public Schools currently has \$145,626 available of the general funds appropriated in the 2021 Fiscal Year. Per the Year to Date Budget Report by Department, we are able to identify how our funds are currently encumbered and expended. This report recognizes that of the \$6,183,227 appropriated to the District, 90.6% is directly assigned and is spent/ encumbered to student instruction.

Mr. Barber also reported on the Food Service and Facilities Departments.

Ms. Smith wanted to do a shout out again to Jill and her staff, they have been doing a tremendous job

D. Personnel

Mr. Nelson reported the following personnel changes.

The following personnel changes have taken place since the last meeting:

Name	Position/Status	Effect. Date
Darlene Goll	Paraprofessional/Resigned	February 22, 2021
Julie Papadakis	Paraprofessional Part-Time/Hired	March 22, 2021

CHAIRPERSON'S REPORT- Ms. Smith expressed her gratitude to her school committee members for all their hard work, especially this school year. She expressed that the committee is always ready to participate in negotiations, budget meetings and other meetings and their work does not go unnoticed. She thanked them for all their time and diligence.

CENTRAL OFFICE ADMINISTRATORS REPORT -

Dr. Jannell Pearson-Campbell, Assistant Superintendent of Teaching & Instruction reported as follows:

- Dr. Pearson-Campbell extended a “thank you” to Principal Sirois in supporting the planning of the March 22 Professional Development half-day. Educators and administrators were able to prepare to pivot back to full in-person learning where they reviewed safety protocols, lesson planning, priority standards, and the teachers/staff was able to prepare their individual classrooms.
- The Office of Teaching & Learning reviewed results from parents, students, and teachers’ surveys to support the creation of the districtwide Professional Development Plan. We are reviewing the results and looking past the Pandemic and what Professional Development for our educational settings would look like. I am naming it “Charting our Course.” The Professional Development Plan will be focused on serving the needs of our educators, students, and families to support lifelong learners in the classroom and building the capacity for educators and support staff.
- The Office of Teaching & Learning is preparing for the ELL Audit. I will be working with Ms. Dranchak in reviewing all materials to be submitted by June 1st. There is a total of 10 indicators to support the four districts. DESE will be reviewing our Curriculum and Professional Development to build an inclusive classroom supporting English Language Learners and students with disabilities. As part of the review, DESE is requesting Professional Development to support teacher’s licensure - 15 PDP’s in both ELL and students with disabilities.
- The recent Panorama data supported the importance of having student voices. There will be student voices from our JHS and HS, facilitated by Eugene Hamilton on April 12 and April 26, at which time he will discuss footprints on social media and student safety.
- Our mentor and mentees have two more meetings. At the first of the two meetings, they will be finalizing their online portfolio where they will demonstrate what they have learned this year. This is the first time the mentees have created and will be sharing their interactive site. At the last meeting, they will have time to share their sites and we will celebrate their first year in Marion.
- In May, the Office of Teaching & Learning will share the district Professional Development Plan to support hands-on learning and other instructional plans to address learning for next year and beyond.

Mr. Craig Davidson, Director of Student Services reported as follows:

- The transition meeting with staff from Sippican School and the Jr. High School is scheduled to take place next week, which is a tradition that has taken place for many years allowing the Grade 6 teachers to correspond with the JHS staff for the upcoming Grade 6 students to the Jr. High School.

PRINCIPAL'S REPORT-

Ms. Sirois reported on the following initiatives at Sippican School:

Marion School Committee, April 7, 2021

- Grades 3-6 returned to full in person learning on April 5, 2021. We are happy to welcome spring, warm weather, as well as opportunities to be outside! A zoom session was held on March 31st to answer questions from families.
<https://docs.google.com/presentation/d/15QDPGNDWC5meAE3sFPxdn3rnqUX9Sqq5fboDiF3aJDU/edit#slide=id.p>
- To ensure best practices for learning and social distancing, we have added a section to grades 1 and 3. Marti Medeiros came BACK to in person learning from remote (now in grade 1) and Janice Proc has joined the grade 3 team!
- In march we celebrated Women’s History month! A huge shout out to grade 6 student, Gia Boyd, for creating the bulletin board below to help us all remember some of the great women that have led by example.
- It’s Book Fair time! This year we are again having a digital book fair. I know our students, families, and teachers look forward to adding to their book collections!
- March was Read Across America month. This year’s theme was, "A Nation of Diverse Readers." We celebrated virtually with a choice board created by Mrs. Barrett. We wrapped up our celebration with the distribution of new R.I.F. books, courtesy of V.A.S.E. and the Braitmayer Foundation.
- Units of Study: Our students continue to learn about their world!
Grade 2 interdisciplinary unit on expository writing and birds
- Children continue to create in art class with Ms. Emmet. Below is printmaking composed by our grade 3 and 4 students.
- The Sippican School Council has begun working on our School Improvement plan for the 2021-2023 school years. We have mapped out one of our two year goals and plan to finish our SIP by the end of May. Meetings continue to be held over Zoom on the third Tuesday of the month.
