Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Targeted Assistance School Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Additional Targeted Support and Improvement

Cedarlane Academy has been identified as an ATSI school for SPED Math, Attendance and Suspensions

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Cedarlane Academy utilizes the data analysis of federal, state, local and district assessments to develop our School Plan for Student Achievement. This school site plan addresses our significant student groups, identifies the goals, develops the action plans and determines the budget expenditures that support the planning, implementation and evaluation of the site plan. The School Plan for Student Achievement assists the school in effectively meeting the Every Student Succeed Act requirements and Local Control and Accountability Plan for budgetary expenditures to meet priorities and ensure all student needs are being addressed.

Cedarlane Academy has been identified as an ATSI school for SPED Math, Attendance and Suspensions. Our SPSA will continue to reflect ATSI goals for the 2023-2024 school year.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

Conclusions based on this data:

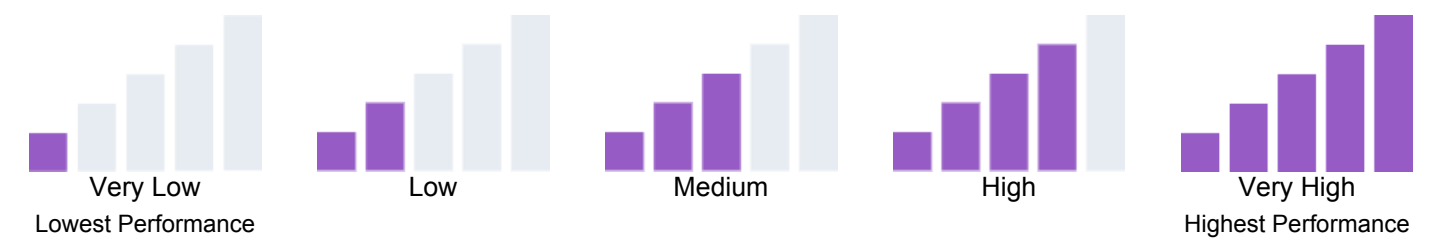

1. Based on the data: students with disabilities makes up roughly 10% of the Cedarlane student population. Students with disability, areas to support in ATSI. Therefore, additional supports for Math SPED need to be considered, but has declined from the
2. Based on the data: our Hispanic population is has decreased slightly by 2% and our Asian population has increased 1%.
3. Based on the data our EL population has increase. Therefore, supports for English Learners needs, need to be considered and addressed on ways to support all levels of supports. Will refer to ELPAC scores.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
English Language Arts High	Chronic Absenteeism Very High	Suspension Rate High
Mathematics Medium		
English Learner Progress High		

Conclusions based on this data:

1. Based on the data: chronic absenteeism is very high. It is one of our ATSI categories. Therefore, more effort will be needed to support students that are frequently absent.
2. Based on the data: suspension rate is high. It is one of our ATSI categories. Therefore, more effort will be needed to support students for MTSS and tier 2 levels of PBIS support.

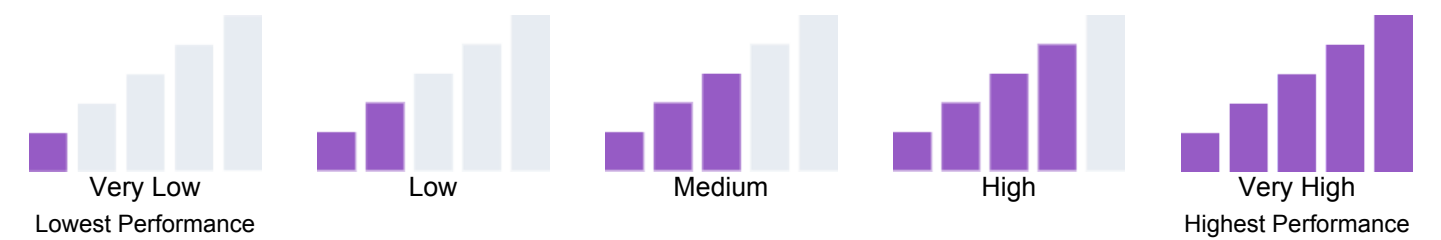

3. Based on the data: our EL progress is high. The number of students that are identified as English Learners have increased. Therefore, additional support for EL students need to be considered and need to look at upcoming ELPAC data to provide support for EL students.

Current English Learner	Reclassified English Learners	English Only
49.0 points below standard 90 Students	83.6 points above standard 64 Students	13.9 points above standard 213 Students

Conclusions based on this data:

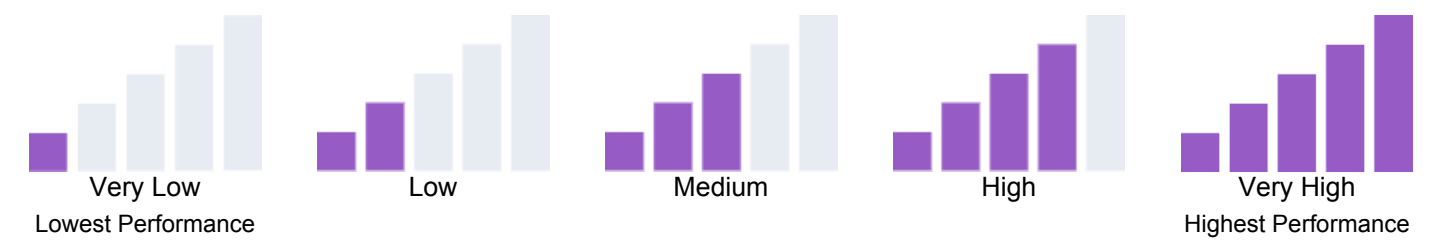

1. Based on the data: students with disability is very low. Although this is not an ATSI category, English Language Arts, need to considered looking at students IEP goals to assist with ELA.
2. Based on the data: students that are identified has Hispanic is low. Need to look at data and other needs to address and support students.
3. Based on the data: In 2019 our Asian population scores 92.9 points above standards, currently it is 66.9. Although very high, we need to continue to provide supports for students and look at additional means to do so.

Conclusions based on this data:

1. Based on the data: the overall participation of students in grades 5-8 has decreased slightly, but still met the 98% participation rate.
2. Based on the data: writing, producing clear and purposeful writing is an area with the highest percentage of students below standards.
3. Based on the data: reading and demonstrating of literacy and non-fiction texts is an area with 17.3% below standard.
4. Based on the data: high levels of students in 4 categories in at or near standard, which means, students with additional support can go to above standard.

Conclusions based on this data:

1. Based on the data: the overall data shows that we have more students in levels 3 and 4 than 1 and 2. Students have increased from the previous years to level 4.
2. Based on the data: writing and reading domains are areas to focus on. Will need to look at data and focus on specific needs during ELD instruction.
3. Based on the data: an area that students are excelling in is speaking for our EL students.

Conclusions based on this data:

1. Based on the data: students that were reclassified is 18, 13.4% and lower than the district, county and state total for the 2020-21 school year.
2. Based on the data: 138 students, 23.4% of students are identified as English Learners.
3. Based on the data: the reclassification rate for the 2021-22 school year is higher with a 12.6% than the district, 9.5%.

Conclusions based on this data:

1. In comparing the overall score SMAP #1 to SMAP #2, students decreased in grades K-8.
2. In comparing the ATSI group for math, students with disabilities decreased slightly in SMAP #2. Therefore, additional supports need to be looked into, also via their IEPs.

3. In comparing students that are English Learners, SMAP #2, there is an increase of student performance.
4. In comparing student that was soclo-economically disadvantaged, students have decreased in SMAP #2.

Conclusions based on this data:

1. Based on the data: all but 1 student has a level of 3 or 4 for the elementary RFEP.
2. Based on the data: in the middle school RFEP data, there are 2 students receiving a 1 on CAASPP and 5 students receiving a 2. Need to check SMAP data for these students and grades and monitor, as needed.
3. Based on the data: many students are progressing in levels 3 and 4 in CAASPP in the middle school setting.

Conclusions based on this data:

1. Based on the data: there are only 7 8th grade students currently not eligible for 8th grade promotion.
2. Based on the data: the larger number of students receiving D's or F's are 7th graders. Therefore, it is an area that needs to be looked into for the 2023-24 school year and provide supports, as needed.
3. Based on the data: for 6th grade, the majority of the D's and F's are in math.

Resource Inequities (Required - CSI, TSI, ATSI)

All Comprehensive Support and Improvement (CSI) and Additional Targeted Support and Improvement (ATSI) schools must conduct a review of Resource Inequities with the school's educational partners as part of the required Comprehensive Needs Assessment. LEA and school-level budgeting may be considered in the review. Resource Inequities shall be addressed through implementation of the SPSA. Schools may use Resource Inequities Suggested Reflection Questions as a resource. Note that responses to questions 1 through 3 must be actionable at the school site.

Identify and describe any resource inequities identified as a result of the required needs assessment using the following prompts.

1. What actionable inequities were identified by the school?

ATSI: Students with Disabilities (Math), Suspensions, Chronic Absenteeism

Students With Disabilities

1. More PD's specifically for SPED, instructional focuses
2. Additional DPS (in the past, DPS were assigned to assist each school)

Suspensions:

1. Additional hours for SSA for student supervision and safety
2. More equipment for students, ES - better equipment, handball court, basketball court, MS - basketball, additional games and activities for students
3. PBIS/MTSS PDs, in the past we had district PDs that staff could attend

Chronic Absenteeism:

1. Attendance clerk that only focus on attendance
2. District attendance guidelines and initiatives, additional support
3. Attendance recovery programs, personnel or hours for staff

NEEDS GENERAL EDUCATION TEACHERS MAY NEED for suspensions, attendance, and SPED MATH

WHAT SUPPORTS

STRATEGIES THAT WILL WORK FOR OUR STUDENTS, DIFFERENT GROUPS OF STUDENTS.

2. Which inequities are priorities for the school to address?

ATSI: Students with Disabilities (Math), Suspensions, Chronic Absenteeism

Students With Disabilities

1. During staff meetings, PD's, can have SPED to assist. Need to identify areas that teachers need support. Reach out to SPED department or on site SPED teachers to do small trainings throughout the year. Since we are an ATSI school for math, need to reach out to district TOSAs to assist with SPED Math and areas to assist students in. Trainings can be done 1-2 times per year, as needed.

Suspensions:

1. Additional hours to will be given from S&C funds for SSA support.
2. Additional play equipment will be used to purchase items students can use throughout recess and lunch.

Chronic Absenteeism:

1. Since we currently have Sat. School for discipline and academics, can utilize funds for attendance recovery 6 times per year.
2. Utilize site TOSA to look at monthly attendance, chronic absenteeism and reach out to parents for SART, monthly and then SARB, if needed. Create positive rewards systems and CICO for attendance (if needed), and review 3-4 times a year for all staff in a staff meeting.

3. How will the school address these inequities?

Some inequities such as office attendance clerk, additional SPED DPS are not actionable at the school site as we currently do not have funds to support these areas.

Comprehensive Needs Assessment Components

Please refer to Instructions for additional guidance.

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Staff (certificated and classified), parents, stakeholders, completed surveys for needs assessments. LCAP priorities, LCAP stakeholder engagement activities. Also, various ELAC, SSC and staff meetings for informal surveys. Healthy Kids Survey, all surveys shared with staff and stakeholders via district.

Parents and staff indicate a need for ELA reading and math interventions, if funds are available, a math interventionist for ES and MS. Parents indicated that they would like more after school tutoring and staff indicated additional school support via an interventionist. They expressed they would like to continue with AR/STAR, LEXIA, Dreambox and all the other online programs we have that can also be utilized at home. They asked for additional reading components that can be used at school and at home to help students read.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Observations in classes were conducted weekly. Findings included: tech integration in all classes, NPDL in action via collaborative student work. Students gained more access this year to work in a more collaborative setting for projects and overall learning on a daily basis.

Analysis of Current Instructional Program

The Elementary and Secondary Education Act (ESEA) of 1965 and reauthorized by Every Student Succeeds Act (ESSA), 2015, outlines the Essential Program Components of a Title I Schoolwide Program: comprehensive needs assessment, comprehensive schoolwide plan and annual evaluation of the schoolwide plan. For the comprehensive needs assessment, use the following categories to discuss and develop critical findings that characterize current instructional practice for numerically significant student groups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on an analysis of quantitative data and qualitative data. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made to close identified achievement gaps, particularly among significant student groups. Special consideration should be given to any practices, policies, or procedures found to be ineffective through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and district assessments to modify instruction and improve student achievement, specifically related to identified student groups

Based on the data analysis the need for additional support in areas of ELA reading, Math concepts, SPED math, suspension and attendance (ATSI). Therefore, teachers will analyze CAASPP, SMAP, attendance and suspension data, common assessments, and chapter assessments. During staff meetings and early release Thursdays, PLC meetings, teachers to continue to monitor and analyze data for students that received intervention or need intervention. For ATSI, review via IEP team, and meet with SPED team regularly to continue to monitor data and provide support, as needed

Use of site common assessments to monitor student progress on curriculum-embedded assessments and to modify/improve instructional strategies and materials

Based on the data analysis and results with various testing, we monitor progress with LEXIA, Dreambox, core curriculum intervention. For SPED (ATSI), will monitor through IEP, SMAP and meeting monthly with SPED team to look at overall student data and reports.

Professional Development, Teaching and Learning

Alignment of professional development to content standards, assessed student performance, and professional needs including status of meeting requirements for highly qualified staff

Based on the data: There is a need for ongoing professional development and refresher professional development for ATSI categories of SPED math, suspension and attendance. This also relates to general education students that have a significant number of suspensions and attendance needs. Refreshed MTSS/PBIS training, discuss additional ways to provide positive climate during staff meetings and leadership meetings,

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches)

We currently have a full time TOSA who works with teachers to provide ongoing instructional support, PD and assistance. Also, reaching out to district CIA TOSAs for support in instruction and implementation on how to best use components of the core curriculum to provide intervention for our lowest 25% of identified students. There is a need to continue having a full time TOSA to support students that continue to need growth and intervention.

Teacher collaboration by grade level (K–8) and department (grades 9-12)

Teachers are given time to meet weekly or bi-weekly for PLCs. There are one to two staff meetings and grade-level/department PLC meetings per month to discuss, analyze data, set goals, plan, and reflect for student achievement.

Teacher collaboration in transition planning (Pre-K – TK - Kindergarten; Elementary – Middle; Middle – High)

There is a great need to work closely with our feeder school and ongoing collaboration. We meet as a preK team 2 times per year and develop a plan to make transitions smoother. The relationships and partnerships we have built and continue to build for our schools is very important for the transition of our 5th grades to middle school. We work closely with our feeder elementary schools to provide visits, transition meetings, etc. to support families and students with a smooth transitions. For the middle school to high school level, teachers work collaboratively on the weekend to discuss supports for students transitioning to high school.

Implementation of Designated and Integrated ELD for all English Learners based on their language proficiency until reclassified.

ELD facilitators will share expectations and create timelines to monitor EL and RFEP academic progress. From the data reviewed, there are some identified RFEP students that will need assistance and they are showing a 1 or 2 in their progress. Academic interventions may include ISEP or RFEP monitoring tools. For ISPELs, ELA teachers will set specific EL strategies that support each individual student's needs. Teachers will monitor LTEL students progress to support adequate growth throughout the school year. Our ELD facilitator will provide updates at staff meetings as appropriate and work closely with ELA Dept. to meet all timelines. Will be monitored and discussed during staff meetings and PLC time.

Extended learning activities

There is ongoing need for LEXIA, Dreambox, AR/STAR and MYON for reading. As for math, will look into xtra math website for students to use. Students have opportunities for art after school, cyber patriot, yearbook club, journalism, robotics, speech & debate, video productions, band, after school intervention, sports, and so much more!
For attendance: After school program (ASES), SFT
For suspensions: Opportunities for students at the district level, Youth Court, school based community service, counseling, etc.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet grade level standards

There is an ongoing need for a full time TOSA and interventionist. This is something that continuously comes up during the LCAP process. This would support students not meeting grade level for push in and pull out intervention. There is also a need for after school intervention provided by the teachers in areas of reading, comprehension. Providing intervention for at-risk students.

Evidence-based educational practices to raise student achievement of identified student groups

This will be measured by ongoing analysis of student data, every 6 weeks from intervention data, SMAPs, and other classroom tests. Additional assessment reports, Dreambox, LEXIA, AR/STAR. For attendance and suspensions: review data monthly during administrative meetings and create monthly plans to assist students and parents, SFT.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students

Ongoing support in:
PTO, SSC, ELAC, DIPAC, Foothills Services, YSC, district TOSAs, and parent events, Lunar New Year celebrations, Trimester awards assemblies, Renaissance for MS, Care Solace, school based counselor, Asian Pacific Agencies, Multilingual, homeless/foster students outreach; newsletters and phone calls; monthly parent education and meetings

Involvement of parents, community representatives, classroom teachers, other school personnel, and secondary students, in the planning, implementation, and evaluation of categorical programs

The counselor is providing additional support and guidance to the students, attendance, and well-being. Referrals are made in SFT meetings to outside agencies as needed. Phone calls are made by the admins and/or the office staff to the parents to assist with attendance and distribution of devices or technology needed. Summer programs are offered to K-8 students to extend learning. Meetings and parent involvement opportunities include the following:
School Site Council/SSC (Develop, monitor, and evaluate the school plan/SPSA), PTO, ASB, ELAC (provide input into Action Plan for EL), DIPAC, monthly parent meetings and education, district parent meetings, evaluation process, budget meetings, HR meetings, PDs, LCAP development; Parent Conferences, school / PTO special events, showcases (ie, Lunar New Year, Hispanic Heritage, Patriots Day, Music Festivals, promotions).

Funding

Services provided by categorical funds that enable underperforming students to meet standards

Teacher afterschool tutor hours and homework club pay for the instructional aides to increase student achievement with the most at-risk students to support the instruction, support students that have minimal engagement, chronic absences, or behavioral issues; work closely with teachers to increase student engagement and achievement.

Substitutes for teachers' extra hours

Use of Accelerated Reader to increase students to read non-fiction and fiction materials.

Lexia and DreamBox to supplement and increase students' interest in reading and math.

BrainPop, classroom materials, supplies, tech devices, and printers to assist teaching and learning.

2. Description of SSC and ELAC/Other Advisory Group Involvement in SPSA Process:

California *Education Code (EC)* Section 64001 requires that an SSC develop the SPSA. The SSC's responsibilities include approving the plan, recommending it to the local governing board for approval, monitoring its implementation, and evaluating the effectiveness of the planned activities at least annually. **All HLPUSD Schools utilize the above SPSA timeline to guide their annual process.**

The SPSA involves a continuous development, implementation, and monitoring cycle. The SSC develops a calendar of tasks and meetings to seek input from applicable advisory committees to develop the plan. **SSC and ELAC meeting agendas and minutes include the following steps of this continuous cycle:**

1. Analyze student achievement data, summarize conclusions, and identify needs.
2. Measure effectiveness of current improvement strategies to determine critical causes of student underachievement.
3. ELAC and other advisory groups/stakeholders provide input to the SPSA and district LCAP.
4. Identify a limited number of achievement goals, key improvement strategies to achieve goals and fiscal resources. Verify that the ConApp Title I allocations match SPSA planned Title I expenditures.
5. Attach timelines, personnel responsible, proposed expenditures, and funding sources to implement the plan.
6. Recommend the SPSA to the local governing board.
7. Receive local governing board approval and implement the plan.
8. Monitor and evaluate effectiveness of the implementation.

ENGLISH LANGUAGE ARTS

LEA/LCAP Goal

All students, Pre-K to 12, including low income, English Learners, and foster youth, will achieve at high levels on English Language Arts (ELA) performance assessments in preparation to meet UC/CSU admission requirements and/or career pathways upon graduation.

School Goal - ELA

All students, in particular ATSI focus students with disability will increase ELA and Math performance utilizing core curriculum, LEXIA, Dreambox and Renaissance.

Identified Need

English Language Arts is HIGH on the California School Dashboard. However, from 2019 to now, ELA has decrease from 31.8 points above standard to 21.2 points above standard. Students identified as Hispanic and student with disabilities is low on the school dashboard. When comparing SMAP data students are struggling in reading and comprehension and therefore an area where we need to continue to monitor and support.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
School Dashboard ELA - All Students	21.2 Points Above Standard	Increase in all areas by 3-4 points.

Complete a Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy 1 - Use of state and district assessments to modify instruction and improve student achievement, specifically related to identified student groups

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular students will be identified under SPED ATSI (SPED suspension, attendance, math) and lowest 25% of students via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist.

Activity

1A: TOSA: S&C - Comprehensive student achievement TOSA will work to plan, use of core curriculum, plan with teachers, assist with attendance

Title I: Intervention, professional development, monitor intervention, in particular 25% of lowest achieving students

1B: Interventionist: Hours will not exceed 24 hours per week, hired for 5-6 months, lowest 25% of students, assessed with Wonderworks and Study Sync fluency, BPST, and assess every 6 weeks to monitor data. Will assist with ELA intervention with components of the core curriculum.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local. Specify the budget reference. Additionally, provide a brief description of the expenditure. Specify the budget reference. Additionally, provide a brief description of the expenditure.

Strategy 2 - Use of site common assessments to monitor student progress on curriculum-embedded assessments and to modify/improve instructional strategies and materials

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular students will be identified under SPED ATSI (SPED suspension, attendance, math) and lowest 25% of students via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist.

Activity

2A: Utilize assessment data from Dream Box, LEXIA, Wonderworks, Study Sync, Aeries gradebook, SMAP data, SMART goals, common assessment data for progress monitoring. Utilize teacher's early release Thursdays and staff meeting Tuesdays.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Strategy 3 - Alignment of professional development to content standards, assessed student performance, and professional needs including status of meeting requirements for highly qualified staff	

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular students will be identified under SPED ATSI (SPED suspension, attendance, math) and lowest 25% of students via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist.

Activity

3A: Utilize district TOSAs for site based needs. Tech TOSA for training: CANVAS, Microsoft 365 features and to dig deeper into SMAP and CAASPP data. District TOSAs will assist with DI and deeper learning for core curriculum (district funded TOSAs)

3B: Teachers, administration to attend conferences as need to help support students in ATSI, intervention, etc.

Proposed Expenditures for this Strategy/Activity

Strategy 4 - Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches)

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular students will be identified under SPED ATSI (SPED suspension, attendance, math) and lowest 25% of students via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist.

Activity

4A: Utilize district TOSAs for site based needs. Tech TOSA for training: CANVAS, Microsoft 365 features and to dig deeper into SMAP and CAASPP data. District TOSAs will assist with DI and deeper learning for core curriculum (district funded TOSAs)

4B: Release times for teacher to plan lessons in ELA, Math, leadership for identified target groups: ATSI - SPED Math, suspension and attendance. Will look at data from CAASPP, SMAP, common assessments, etc. to plan and implement intervention. Can be utilized for summer planning and after school planning to review and plan for ATSI.

4C: Teachers will participate in district provided professional development, whenever available (after school district funded PD)

Proposed Expenditures for this Strategy/Activity

Strategy 7 - Extended learning activities

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular students will be identified under SPED ATSI (SPED suspension, attendance, math) and lowest 25% of students via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist.

Activity

7A: Additional hours for after school teacher planning to analyze data to determine student academic needs (especially the 25% of lowest students, ATSI for suspension, attendance and SPED math) and strategically plan to differentiate and address those needs, develop and implement intervention and monitor ongoing basis to increase student achievement (use Title)

7B: After school yearbook club, robotics, math club, intramurals, cyber clubs, monitored by certificated staff (S&C)

7C: Art masters for elementary classes and iChinese for dual immersion classes for grades 6-8 (other contracted services).

7D: Renaissance, AR, STAR, MYON and Brain Pop for all students in grades kinder-8 to assist in reading, comprehension for all students. Purchase of AR, STAR, MYON and Brain Pop, and reading components, and monthly monitoring via STAFF to incase student achievement in reading for all students, particularly ELs students in lowest levels, and lowest 25% of students who need additional support.

7E: Fieldtrips for all students, grades K-8, will attend at least 1 fieldtrip and transportation, as provided by school funds.

7F: Partner with Youth Science Center for handson after school STEM activities (free for students)

7G: Replenish books, library books for students in library, focusing on books for SPED math, DI and books for students in lowest 25% of reading levels. Also purchase books of high interested to students and lower lexile leveled books to increase reading proficiency.

7H: Screens for projection, effective use of technology and to increase student engagement (part of Materials and Supplies)

Complete a Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy 1 - Use of state and district assessments to modify instruction and improve student achievement, specifically related to identified student groups

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular ELs grades 3-8. Additionally, students will be identified via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist. Will also assist students in ATSI categories - suspensions, attendance, SPED Math.

Activity

1A: TOSA: S&C - Comprehensive student achievement TOSA will work to plan, use of core curriculum, plan with teachers, assist with attendance

Title I: Intervention, professional development, monitor intervention, in particular 25% of lowest achieving students

1B: Interventionist: Hours will not exceed 24 hours per week, hired for 5-6 months, lowest 25% of students, assessed with Wonderworks and Study Sync fluency, BPST, math assessments and assess every 6 weeks to monitor data. Will assist with math intervention with components of the core curriculum.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local. Specify the budget reference. Additionally, provide a brief

Strategy 2 - Use of site common assessments to monitor student progress on curriculum-embedded assessments and to modify/improve instructional strategies and materials

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular ELs grades 3-8. Additionally, students will be identified via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist.

Activity

2A: Utilize assessment data from Dream Box, Xtra math, Wonderworks, Aeries gradebook, SMAP data, SMART goals, common assessment data for progress monitoring. Utilize teacher's early release Thursdays and staff meeting Tuesdays.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Strategy 3 - Alignment of professional development to content standards, assessed student performance, and professional needs including status of meeting requirements for highly qualified staff

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular ELs grades 3-8. Additionally, students will be identified via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist. Will also assist students in ATSI categories - suspensions, attendance, SPED Math

Activity

3A: Utilize district TOSAs for site based needs. Tech TOSA for training: CANVAS, Microsoft 365 features and to dig deeper into SMAP and CAASPP data. District TOSAs will assist with DI and deeper learning for core curriculum (district funded TOSAs)

3B: Teachers, administration to attend conferences as need to help support students in ATSI, intervention, etc.

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular ELs grades 3-8. Additionally, students will be identified via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist. Will also assist students in ATSI categories - suspensions, attendance, SPED Math.

Activity

4A: Utilize district TOSAs for site based needs. Tech TOSA for training: CANVAS, Microsoft 365 features and to dig deeper into SMAP and CAASPP data. District TOSAs will assist with DI and deeper learning for core curriculum (district funded TOSAs)

4B: Release times for teacher to plan lessons in ELA, Math, leadership for identified target groups: ATSI - SPED Math, suspension and attendance. Will look at data from CAASPP, SMAP, common assessments, etc. to plan and implement intervention. Can be utilized for summer planning and after school planning to review and plan for ATSI.

4C: Teachers will participate in district provided professional development, whenever available (after school district funded PD)

All students, in particular ELs grades 3-8. Additionally, students will be identified via diagnostic and additional assessments: SMAP, BPST, CAASPP, etc. with teachers and interventionist. Will also assist students in ATSI categories - suspensions, attendance, SPED Math

Activity

7A: After school teacher planning to analyze data to determine student academic needs (especially the 25% of lowest students, ATSI for suspension, attendance and SPED math) and strategically plan to differentiate and address those needs, develop and implement intervention and monitor ongoing basis (use Title I)

7B: After school yearbook club, robotics, math club, intramurals, cyber clubs, monitored by certificated staff -- Use of S&C

7C: Art masters for elementary classes and iChinese for dual immersion classes for grades 6-8 (other contracted services).

7D: Renaissance, AR, STAR, MYON and Brain Pop for all students in grades kinder-8 to assist in reading, comprehension for all students. Purchase of AR, STAR, MYON and Brain Pop, and reading components, and monthly monitoring via STAF to incase student achievement in reading for all students, particularly ELs students in lowest levels, and lowest 25% of students who need additional support.

7E: Fieldtrips for all students, grades K-8, will attend at least 1 fieldtrip and transportation, as provided by school funds.

7F: Partner with Youth Science Center for handson after school STEM activities (free for students)

7G: Replenish books, library books for students in library, focusing on books for SPED math, DI and books for students in lowest 25% of reading levels. Also purchase books of high interested to students and lower lexile leveled books to increase reading proficiency.

7H: Screens for projection, effective use of technology and to increase student engagement (part of Materials and Supplies)

Goals, Strategies, & Proposed Expenditures

Goal Subject

ENGLISH LEARNERS

LEA/LCAP Goal

All English Learners will achieve at high levels on performance assessments in preparation to meet UC/CSU admission requirements and/or career pathways upon graduation.

School Goal - English Learners

Target English Learners by looking at ELD assessments, ELPAC. Area of greatest need is writing per ELPAC tests. Will utilize ELPAC scores.

Identified Need

1. The number of LTELs to decrease by 1%
2. English Learner Proficiency on ELPAC - Increase levels 4 by 3-4%
3. Reclassification Rate to increase by 5%

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
English Learner Progress Indicator	58.3% Making Progress towards English Language Proficiency	Increase by 5%
Summative ELPAC Level 4	3rd: 13 4th: 17 5th: 31 6th: 25 7th: 45 8th: 22	Increase ELPAC Level 4 by 3-5%
English Learned Reclassification Rate	Reclassification Rate: ES: 15 MS: 12	Increase reclassification rate by 5-8%

Complete a Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

English Learner Planned Improvements must include evidence-based activities to address Designated and Integrated ELD, LTELs, EL and RFEP monitoring and reclassification.

Strategy 1 - Use of state and district assessments to modify instruction and improve student achievement, specifically related to identified student groups

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

Need to target EL by looking at ELS assessments and ELPAC. Areas of greatest need is writing and reading, per ELPAC test. Implement strategies for designated and integrated ELD to assist with reading and writing, which are targeted areas.

Activity

1A: Work closely with district multilingual department and district TOSAs to set up PDs or trainings, focusing on EL students, specifically in the area of reading and writing, where EL students need the most support.

Goals, Strategies, & Proposed Expenditures

Goal Subject

SCHOOL CLIMATE & ENGAGEMENT

LEA/LCAP Goal

GOAL FOR SCHOOL CLIMATE: All students, Pre-K through 12, including low income, English Learners, and foster youth, will be provided with safe, positive learning environments that result in decreased student suspension and expulsion rates, increased school safety rates, and a greater sense of school connectedness for all staff, students, parents, and community.

GOAL FOR STUDENT ENGAGEMENT: All students, Pre-K through 12, including low income, English Learners, and foster youth, will be actively, purposefully, and positively engaged in school and learning, resulting in increased student attendance and graduation rates.

School Goal - School Climate

The percentage of ADA will increase to 98% for the 2023-24 school year.

Suspensions - less than 18

Discipline referrals 10 or less.

Identified Need

Daily attendance and suspension rates are an area of need, focusing on SPED ATSI

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
School Dashboard Suspension Rate - All Students	3.3% Suspended at Least One Day	Decrease suspensions in areas by 1%
School Dashboard Suspension Rate - Low Income	4.1% Suspended at Least One Day	
School Dashboard Suspension Rate - English Learners	2.2% Suspended at Least One Day	
School Dashboard Suspension Rate - Foster Youth	No Data	
School Dashboard Suspension Rate - SWD	7.5% Suspended at Least One Day	
School Dashboard Suspension Rate - Homeless	No Data	
Monthly Attendance	Monthly Attendance Data Average: 87%	Increase to 98% for the school year.
Aeries Data	1. Suspensions - 20	1. 10 or less suspensions

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	2. Referrals - 15	2. Less than 10 referrals
Chronic Absenteeism	22%	Decrease by 10%

Complete a Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy 1 - Use of state and district assessments to modify instruction and improve student achievement, specifically related to identified student groups

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular with students for attendance and suspensions for ATSI.

Activity

1A: Work closely with teachers/TOSA to identify students that are chronically absent: hold SFT's, create plan, CICO, rewards, monitor for ATSI - attendance.

1B: Healthy kids survey in 5th & 8th grade - areas where we can support students for safety to make it safer for all students to attend school.

1C: Look at suspension data and areas of offence, work with teachers, leadership team, TOSAs in order to implement

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local. Specify the budget reference. Strategy 2 - Use of site common assessments to monitor student progress on curriculum-embedded assessments and to modify/improve instructional strategies and materials

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular with students for attendance and suspensions for ATSI.

Activity

2A: Monitor student attendance and suspensions, implement CICO, meetings with parents/staff, work together on how to best support students, identified via ATSI data for suspensions and attendance.

2B: Have SART meetings with families, SARB, if needed. Provide ongoing communication with parents in regards to the importance of attendance. Can share attendance reports during Coffee with Principal, ELAC, SSC, additional parent meetings, staff meetings. Trainings will also occur for parents in ELAC, SSC and Coffee with the Principal

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular with students for attendance and suspensions for ATSI.

Activity

3A: Work with Student and Family Services for support with students in SART/SARB. Work with SFS for additional training and/or updated information/protocol on student support when it comes to suspensions and attendance (ATSI).

3B: Provide additional support and training, as needed by school psychologist or school/district counselors to identify and support students, tiered MTSS support.

Strategy 4 - Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches)

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular with students for attendance and suspensions for ATSI.

Activity

4A:Utilize district TOSAs for site based needs. MTSS training as needed. Mental health trainings for how to best support students, particularly in attendance and suspensions.

4B:School counselor to attend trainings and meetings and share relevant information to assist with attendance and suspensions at staff meetings, admin meetings, PLC time with teachers.

4C:Use of Care Solace, school counseling services, outside counseling services to help train teachers on services available to students and families.

4D: SEL lessons and implementation, additional support and trainings provided by school counselor, equity and access, as needed.

Strategy 6 - Teacher collaboration in transition planning (Pre-K – TK - Kindergarten; Elementary – Middle; Middle – High)

Students to be Served by this Strategy

(Identify All Students and/or one or more specific student groups)

All students, in particular with students for attendance and suspensions for ATSI.

Activity

6A: Transitional Activities and/or informational assemblies/visitations to school sites will be planned for PreK to K, 5th to 6th, and 8th to 9th grades to help ensure a seamless transition for students and families into the next grade level or into a new school site (Feeder schools into Middle Schools/High Schools). Teachers/Counselors will also meet to discuss student groups and support/interventions needed at least twice a year.

6B: Counselor will attend the District SSN Articulation Meeting

6C: Students with Disabilities Transitional Meetings/Spring of 2024 to review placement and ensure students are enrolled in Least Restrictive Environment. Meetings are to occur in collaboration with educational specialists of respective transitioning sites.

6D: Articulation Meetings with Wilson High School. Middle School Teachers will meet with Wilson High School Teachers 2-3 times per year on ELA, Math, etc., to discuss curriculum articulation, best practices, and student groups' needs/support.

6E: Weekly announcements via TBird TV to talk about the importance of being safe, respectful and responsible. School wide weekly announcements and 3 assemblies throughout the year on MTSS/PBIS goals.

1. Assist teachers in implementing district instructional programs for all students, with an emphasis on differentiating strategies and support for SWD (math and ELA) and at promise students to increase their academic achievement. 2. Work with the teachers, support personnel, and administrators to provide classroom support for students in need of Tier 2 academic intervention (SWD and at-promise students) to raise student achievement. 3. Collaborate with teachers to determine Tier 2 intervention plan for at-promise students, including SWD. 4. Develop a small group intervention plan to target LTELs and students in the strategic and intensive levels of performance, including SWD (math) and at-promise students. 5. Maintain student records of interventions applied and other pertinent performance data. 6. Identify LTEL students' academic, social, behavioral, and attendance concerns by using pertinent data, and meeting with parents, counselors, or other community service personnel or agencies to provide support and improve their academic achievement. 7. Provide information and achievement data to SSC 8. Provide support to teachers to develop differentiated, research-based, standards-based and data informed lesson plans to support at-promise students (including SWD) to meet grade level standards and increase student achievement.	1. Allocate, inventory, and manage core and supplemental instructional materials to ensure that all students have access to the appropriate instructional materials. 2. Facilitate, monitor, and oversee academic testing (ELPAC, CAASP, ELD District Assessments TK – 5, District Interim Assessments, and Beginning of the Year Diagnostic Assessments) and distribute, analyze, and monitor results 3. Serve as an information link between the school and the student's home environment by giving and receiving verbal and written information from the family. 4. Facilitate and provide information to the English Learner Advisory Committee 5. Parent Liaison to provide information concerning school procedures, instructional programs, and parent/student resources. 6. Assisting teachers in raising EL proficiency levels in appropriate content areas. 7. Facilitate responsive and systematic services to foster youth based on identified needs, including academic and behavioral intervention, social-emotional support services, and attendance support. 8. Support classroom teachers in using evidence based literacy instructional strategies and provide professional development.

2022-2023 School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Student- first name

Julia Lira		X			
Lidia Lee		X			
Lisa Bradley			X		
Raphael					X
Audrey					X
Carlos					X
Elaine Wong				X	
Vanessa Kwak				X	
Mayelle Nguyen				X	
Numbers of members of each category:	1	4	1	3	3

Elementary SSC Composition: 10 member minimum. Half the members are the principal, 3 classroom teachers, 1 classified staff. Half the members are 5 parents or other community members.

Secondary SSC Composition: 12 member minimum. Half the members are the principal, 4 classroom teachers, 1 classified staff. Half the members are 3 parents and 3 students.

2022-2023 English Learner Advisory Committee (ELAC)

California Education Code describes the requirement that each California public school, grades kindergarten through 12, with 21 or more English learners must form an English Learner Advisory Committee (ELAC). Parents or guardians of English learners must have an opportunity to elect the parent members to serve on the ELAC or subcommittee, and each ELAC shall have the opportunity to elect at least one member to the District English Learner Advisory Committee (DELAC).

Numbers of members of each category:	1	1	14	

ELAC Composition Requirements

Requirements for ELAC elections include:

1. Parents of English learners comprise at least the same percentage of the ELAC membership as English learners constitute of the school's total student population. For example, if 25 percent of the students in a school are English learners, then parents/guardians of English learners must comprise 25 percent of the ELAC membership.
2. Other members of the ELAC can be parents/guardians, school staff, and /or community members as long as the minimum percentage requirement for EL parents is maintained

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The school plan was developed with the involvement of parents and other members of the community to be served and individuals who will carry out the plan, including teachers, principals, and administrators, and, if appropriate, pupil services personnel, technical assistance providers, school staff, and, if the plan relates to a secondary school, students.

The SSC sought and considered all recommendations from the English Learner Advisory Committee before adopting this plan.

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on: April 26, 2023

Attested:

Two handwritten signatures in blue ink. The top signature is a cursive 'K' followed by 'Lee'. The bottom signature is a cursive 'R' followed by 'Macalino'.

Principal, Kim Lee on 4/26/23

SSC Chairperson, Raphael Macalino on 4/26/23

Evidence-Based Interventions

Guidance and Instructions: All CSI/ATSI/TSI schools must implement Evidence-Based Interventions as part of their improvement plan. The term “intervention” can include *activities, strategies, or interventions*. For further guidance on Evidence-Based Interventions, see the U.S. Department of Education’s “Using Evidence to Strengthen Education Investments” at: <https://www2.ed.gov/policy/elsec/leg/essa/guidanceusesinvestment.pdf>

Complete questions 1 through 10 for EACH evidence-based intervention that will be implemented:

1. Dashboard Indicator: Indicate all Dashboard Indicators that this evidence-based intervention addresses.

English Language Arts (3-8,11)

Mathematics (3-8,11)

English Learner Progress (1-12)

X Chronic Absenteeism (TK-12)

X Suspension Rate (TK-12)

College/Career (9-12)

Graduation Rate (9-12)

2. Students Group(s): Indicate the student group(s) that will be the focus of this evidence-based intervention (ATSI must include the student group(s) that are consistently underperforming, for which the school received the ATSI designation.)

All Students

English Learners

Foster Youth

Homeless

Race/Ethnicity – Specify

Socioeconomically Disadvantaged

X Students with Disabilities

3. Evidence Rating: Indicate the Evidence Rating for the intervention (see p.7 of USDE’s guidance “Using Evidence to Strengthen Education Investments”)

X Strong

Moderate

Promising

4. Rating Rationale: Indicate the source that was used to determine the rating.

Other-Specify and Provide Link to Study:

5. Intervention Status: Indicate if this is a new or continuing Intervention.

X New

Continuing

6. Evidence-Based Intervention Name: Indicate the name of the evidence-based intervention.

Restorative Discipline Practices to assist with attendance and suspensions:

Conflict resolution - Attendance Playbook

Positive School Climate - Attendance Playbook

Provide assistance with mentors - Attendance Playbook

Second Step - Attendance Playbook

7. Describe the evidence-based intervention and funding source. If already addressed in your SPSA, indicate the Planned Improvement section and Strategy/Activity number(s).

SPSA ELA 1, Action 1 - use of TOSA

Conflict resolution - Conflict resolution is a way for two or more parties to find a peaceful solution to a disagreement among them.

Positive School Climate - A positive school climate is the product of a school's attention to fostering safety; promoting a supportive academic, disciplinary, and physical environment; and encouraging and maintaining respectful, trusting, and caring relationships throughout the school community no matter the setting.

Provide assistance with mentors - Mentors can offer support and be positive role models that help build self-esteem and encourage personal growth.

Second Step - Second Step® programs help students build social-emotional skills—like nurturing positive relationships, managing emotions, and setting goals—so they can thrive in school and in life.

8. Describe how the evidence-based intervention will be evaluated, and note clearly the measurable outcome(s) you will use to evaluate the effectiveness.

Will look at increasing attendance, and decreasing referral and suspension rates.

Measurable Outcomes:

Increase to 98% for the school year.

9. If answered, "continuing" to question #4, what data supports the intervention is improving student achievement? If data does not indicate student progress, what will you do differently? If answered "new" to question #4, write "NA"

NA

10. Federal CSI Funding: Enter the total Federal Funds provided to the School from the LEA for CSI. (CSI only. Federal funds for CSI shall not be used in schools eligible for ATSI. In addition, funds for CSI shall not be used to hire permanent staff.)

Evidence-Based Interventions

Guidance and Instructions: All CSI/ATSI/TSI schools must implement Evidence-Based Interventions as part of their improvement plan. The term “intervention” can include *activities, strategies, or interventions*. For further guidance on Evidence-Based Interventions, see the U.S. Department of Education’s “Using Evidence to Strengthen Education Investments” at: <https://www2.ed.gov/policy/elsec/leg/essa/guidanceusesinvestment.pdf>

Complete questions 1 through 10 for EACH evidence-based intervention that will be implemented:

1. Dashboard Indicator: Indicate all Dashboard Indicators that this evidence-based intervention addresses.

English Language Arts (3-8,11)

X Mathematics (3-8,11)

English Learner Progress (1-12)

Chronic Absenteeism (TK-12)

Suspension Rate (TK-12)

College/Career (9-12)

Graduation Rate (9-12)

2. Students Group(s): Indicate the student group(s) that will be the focus of this evidence-based intervention (ATSI must include the student group(s) that are consistently underperforming, for which the school received the ATSI designation.)

All Students
English Learners
Foster Youth
Homeless
Race/Ethnicity – Specify
Socioeconomically Disadvantaged
X Students with Disabilities

3. Evidence Rating: Indicate the Evidence Rating for the intervention (see p.7 of USDE’s guidance “Using Evidence to Strengthen Education Investments”)

X Strong

Moderate

Promising

4. Rating Rationale: Indicate the source that was used to determine the rating.

Evidence for ESSA: <https://www.evidenceforessa.org/>

Attendance Playbook - <https://www.future-ed.org/wp-content/uploads/2019/07/Attendance-Playbook.pdf>

Other-Specify and Provide Link to Study:

5. Intervention Status: Indicate if this is a new or continuing Intervention.

X New

Continuing

6. Evidence-Based Intervention Name: Indicate the name of the evidence-based intervention.

Assisting students struggling with Mathematics - Interventions
1. Use of Dreambox, XTra Math

7. Describe the evidence-based intervention and funding source. If already addressed in your SPSA, indicate the Planned Improvement section and Strategy/Activity number(s).

SPSA ELA 1, Action 1 - use of TOSA

Dreambox: Personalize K-8 math learning with supplemental curriculum that is more than just instructional support software. DreamBox Math is intelligently adaptive to ensure students, at every level, stay motivated and receive the right instruction at the right time, from day one. DreamBox Learning is a supplemental online mathematics program that provides adaptive instruction for students in grades K–5 and focuses on number and operations, place value, and number sense.

XtraMath is an online math fact fluency program that helps students develop quick recall and automaticity of basic math facts. Students with a strong foundation have greater confidence and success learning more advanced math like fractions and algebra.

SPSA: Math Strategy 2

8. Describe how the evidence-based intervention will be evaluated, and note clearly the measurable outcome(s) you will use to evaluate the effectiveness.

SMAP Data - 3 times per year

Based on the data: students with disability is very low. This is an area of focus for ATSI. It has decreased since 2019.

Measurable Outcomes:

CAASPP

Increase in all areas by 3-4 points.

Area to assist and support SWD

9. If answered, “continuing” to question #4, what data supports the intervention is improving student achievement? If data does not indicate student progress, what will you do differently? If answered “new” to question #4, write “NA”

N/A

10. Federal CSI Funding: Enter the total Federal Funds provided to the School from the LEA for CSI. (CSI only. Federal funds for CSI shall not be used in schools eligible for ATSI. In addition, funds for CSI shall not be used to hire permanent staff.)

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs, specifically addressing CSI and ATSI identification as applicable.

School and Student Performance Data

Review the given or requested data with Educational Partners. Document 3-5 conclusions about the data, highlighting schoolwide and student group(s) strengths and area(s) of need. If a school is identified as CSI or ATSI, specifically analyze data that contributed to school's eligibility.

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Comprehensive Needs Assessment

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided. Highlight successes and gaps/needs reflected in the data in the Conclusion of each data section.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school year, and a summary of results from the survey(s). Surveys in this section are defined as an

investigation of the opinions or experiences of a group of people, based on a series of questions. These can be completed in large or small groups (schoolwide, advisory meetings, staff meeting) through a written or oral collection of responses.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Analysis of Current Instructional Program

The Elementary and Secondary Education Act (ESEA) of 1965 and reauthorized by Every Student Succeeds Act (ESSA), 2015, outlines the Essential Program Components of a Title I Schoolwide Program: comprehensive needs assessment, comprehensive schoolwide plan and annual evaluation of the schoolwide plan. For the comprehensive needs assessment, use the following categories to discuss and develop critical findings that characterize current instructional practice for numerically significant student groups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on an analysis of quantitative data and qualitative data. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made to close identified achievement gaps, particularly among significant student groups. Special consideration should be given to any practices, policies, or procedures found to be ineffective through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and district assessments to modify instruction and improve student achievement, specifically related to identified student groups. Describe how data was shared and what groups it was shared with. Describe what strategies are in place to facilitate the use of state and local assessments to modify instruction and improve student achievement.

Use of site common assessments to monitor student progress on curriculum-embedded assessments and to modify/improve instructional strategies and materials. Describe how data was used by Leadership, grade levels, PLC's etc. to monitor student progress and modify instructions.

Professional Development, Teaching and Learning

Alignment of professional development to content standards, assessed student performance, and professional needs including status of meeting requirements for highly qualified staff. Based on needs reflected in the analysis of data and the current instructional program, to what level is professional development (LSF, Site PD days, Staff meetings, etc.) aligned to this need. *Not Aligned, Mostly Aligned, Always Aligned.*

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) Description of support and training provided by district personnel (Teacher Specialists in Math, ELA, ELD, etc.) and site personnel (TTL, Literacy Coaches, etc.)

Teacher collaboration by grade level (K-8) and department (grades 9-12) Description of how often teacher collaboration takes place in order to address needs and plan instruction based on ongoing data analysis? *Always, Sometimes, Never*

Teacher collaboration in transition planning (Pre-K – TK – Kindergarten; Elementary – Middle; Middle – High)

Implementation of Designated and Integrated ELD for all English Learners based on their language proficiency until reclassified

Extended learning activities

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet grade level standards. Describe to what level differentiated instruction and small group instruction is evident in classrooms. *Not Evident, Mostly Evident, Always Evident.*

Evidence-based educational practices to raise student achievement of identified student groups. Using the What Works Clearinghouse link, <https://ies.ed.gov/ncee/wwc/> describe what evidence based interventions are being implemented to raise student achievement.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students. Describe the level of availability of resources (books, technology, tutoring, etc.) from the above groups. *Always Available, Occasionally Available, Never Available*

Involvement of parents, community representatives, classroom teachers, other school personnel, and secondary students, in the planning, implementation, and evaluation of Title I programs. Description of the process and procedures followed to ensure SSC member active participation in categorical programs, including number and frequency of meetings and process for receiving and responding to advisory committee recommendations.

Funding

Services provided by categorical funds that enable underperforming students to meet standards

Educational Partner's Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Annual Evaluation

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Goals, Strategies, & Proposed Expenditures

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies and Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy using the “Strategy #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” and/or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- **Total Title I Funds Provided to the School Through the Consolidated Application:** This amount is the total amount of Title I funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated. This amount is manually inputted.
- **Total Title I Funds Budgeted for SPSA Actions and Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all Title I funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once. This amount is manually inputted.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.
 - B. Evidence-based strategies, actions, or services (described in Strategies and Activities)

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
 1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.
- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).

- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Appendix B: Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Categorical & Supplemental Funding

Federal Funding Program	Purpose
Title I Part A	<p>Title I, Part A: A federal categorical program contained in the Consolidated Application. Its purpose is to ensure that all children have a fair and equal opportunity to obtain a high-quality education and reach, at a minimum, proficiency on the state content standards and assessments. The intent of this funding is to meet the educational needs of low-achieving students enrolled in the highest poverty schools.</p> <p>Schoolwide (SWP) Program: To fund a comprehensive school plan to upgrade all the instruction in a high-poverty school. Supplemental funds to help meet the needs of low-achieving students in the highest-poverty schools.</p>
State Funding/ Local Control Funding Formula	Purpose
LCFF – Supplemental & Concentration	<p>LCFF Supplemental & Concentration Funds: Calculated on the basis of the number and concentration of unduplicated low income, foster youth, and English learner pupils. The purpose is to ensure increased or improved services for the unduplicated pupils, above and beyond the regular program, with the intent to improve outcomes for the unduplicated pupils. Funds must target the unduplicated student groups, but may be used to increase or improve services schoolwide if 40% or more pupils in a school are unduplicated.</p>

Appendix D: School Parent Involvement Requirements

Each school served with Title I, Part A funds shall:

1. Convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under Title I, Part A, and to explain the requirements of Title I, Part A, and the right of the parents to be involved;
2. Offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with funds provided under this part, transportation, child care, or home visits, as such services relate to parental involvement;
3. Involve parents in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under Title I, Part A, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan under Section 1114(b), except that if a school has in place a process for involving parents in the joint planning and design of the school's programs, the school may use that process, if such process includes an adequate representation of parents of participating children;
4. Provide parents of participating children:
 - A. Timely information about programs under Title I, Part A;
 - B. A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging State academic standards; and
 - C. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to such suggestions as soon as practicably possible;
5. If the schoolwide program plan under ESSA Section 1114(b) is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to the LEA (ESSA Section 1116[c]).
