

## Thank you for your interest in joining the St Hugh's team

### Five reasons why you will be happy at St Hugh's:

- You will be working at one of Oxfordshire's most popular and dynamic schools.
- You will enjoy the company and support of our team of committed and friendly staff.
- You will work with pupils who thrive on being challenged and inspired.
- You will receive a competitive salary and generous staff benefits.
- You will be uplifted every day by our beautiful grounds and first-class facilities.

You will not find a better, happier and more successful school than St Hugh's. We are an inclusive school where every child has a chance to shine, and where excellence is promoted, both in and out of the classroom.

You'll be joining a team of enthusiastic and talented staff, who give their time energy, and passion to ensure that every pupil achieves the very best they can.

We provide a rich and varied range of co-curricular activities, trips and cultural experiences for all pupils to enjoy, and our staff are fully immersed in developing and delivering this programme, often outside the core school day.

Our pupils matter to us. They are nurtured, valued and given opportunities and challenges in which they are allowed to enjoy their success and learn from their failures. Our girls and boys are a pleasure to teach; they are curious, enthusiastic, kind, respectful and fun. They are expected to work hard, and every child is encouraged to do their best at all times, whether they struggle with their learning or are destined for academic scholarship.

St Hugh's is a place with a strong sense of community in which staff take the time to build and nurture positive and productive relationships with our families.

The [The Independent Schools Inspectorate](#) judged us as compliant and 'Excellent' in all areas of school life.

Our impressive 45 acre estate in rural Oxfordshire, combined with our first-class facilities make this a very special place to come to work every day.

If we are a school that appeals to you, and you are looking to make your mark, get involved and make a difference, I look forward to hearing from you.

**Mr David Griffiths**
