

## Transition to Qmlativ Mobile Access

For new Mobile App configuration, the District Search attributes are similar, but please note that the **District Name** should start with WSIPC-XXXX.

Parents must delete their old account in the Mobile App and add the new account, **WSIPC-Mercer Island School District**.

- SMS
  - Search by- Name, Zip, GPS Location
  - District Name will be formatted as
- Qmlativ
  - Search by- **Name**
  - District Name will be formatted as

Mobile App District search reminders

### Navigation View

- SMS
- Qmlativ

Mobile Access app display differences.

### Troubleshooting Tips:

Due to the variability of Mobile devices and their App environments, some users may need to completely uninstall the app from their device, then reinstall the app and re-sync user credentials in the newly installed app.
