PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:

The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

University Charter School will use student, parent, and teacher feedback from the March 2020 school closure to determine the highest needs of support for the 2020-2021 school year that will offer face-to-face and virtual learning options. This feedback, coupled with academic achievement data, will lead UCS to identify and determine the most important educational needs for the current school year so that a high quality educational experience can be offered to all students during this unprecedented time of learning. We determined our needs are for two interventionists, one custodian, and a virtual learning platform.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

UCS will utilize the evidence-based and research-based platform Renaissance STAR 360 to assess, identify, support, and monitor student achievement in the critical areas of reading and mathematics to close learning gaps that may be a result from the Spring 2020 school closure and/or the unique experience this 2020-2021 school year presents in terms of the format and style of educational services (i.e., hybrid learning, virtual learning, asynchronous and synchronous learning, etc.)
