

Reason #1 to join....This is my dog shadow...yes, he is adorable

Theater Arts

Theater 1: Intended for beginning acting students interested in dramatic arts. Covering all parts of theater through improvisation, pantomime, storytelling, characterization, voice and diction and more.

Theater 2: Intended as an advanced class where students expand on what they learned in Theater Arts I in order to create more complex characters and productions. Students perform and are a part of an in-class play.
