# Larson Homework Help Club Guidelines

1. This is a pay-to-participate club. Students attending must have this parent permission form on file and have completed the PaySchools process.
2. Students must bring homework to complete – that’s the name of the club! A book to read is fine, too.
3. Once a student arrives to HHC, they must stay there! Exceptions will be made if a student needs to be picked up before 3:45 pm.
4. Students attending the club should be picked up promptly at 3:45 pm, when supervision ends. Students that are not picked up promptly may not be able to attend HHC in the future.
5. While students may work in small groups, noise should be kept to a minimum to minimize disruptions to others!
