What is Alive at 25?

Alive at 25 is a defensive driving course developed by the National Safety Council and offered only by Kentucky Safe Driver.

On July 1, 2018, Alive at 25 was adopted by the Kentucky Transportation Cabinet, Division of Driver Licensing as the new classroom Graduated License Program (GLP) in Kentucky.

Alive at 25 is taught by current and former law enforcement officers across Kentucky. The course focuses on the behaviors and decision making patterns that young drivers display behind the wheel. It's curriculum is focused on the prevention of traffic fatalities, collisions, and violations among young drivers.

For more information about the program or any inquiries about a student account please contact:
