### GRADUATE AT GRADUATION

To guide every facet of curriculum development at St. Xavier, the faculty has produced this summary statement of the characteristics that the graduate will have acquired during his time at the school. Every course and every activity must work together toward fashioning a graduate with these characteristics.

- Advanced Placement courses are ordinarily available *ONLY TO JUNIORS AND SENIORS*. Select freshmen are placed in AP World History. Admission to these courses is competitive and is based upon past performance/testing, and, in all cases, approval of the Instructor.
- Even the most rigorous senior schedule would rarely include more than 3-4 AP courses.
- Junior students may elect to enroll in United States History/Morality which is both a social studies class (US History) and a Religion class (Morality and Social Justice). This class also has a community service component.
