Open House - Monday, September 11

General Open House Information

- Students should give their parents a copy of their schedule, but you can also use parent portal to access schedules from your phone. If you are in need of a hard copy schedule, please see a guidance counselor once you arrive.
- Open House is an opportunity for you to meet your child's teacher and learn a little about the class, but it is not intended to be a time for parent conferences. To set up an individual parent-teacher conference at any time throughout the semester, please contact guidance at 803-835-5241.

SCHEDULE FOR OPEN HOUSE

5:30 – 5:45 First Period

5:55 – 6:10 Second Period

6:20 – 6:35 Third Period

6:45 – 7:00 Fourth Period

Important Car Rider Line Procedures & 4K Pickup Information

Due to some traffic issues at the beginning and end of our school day, please follow the directions below:

- No drop-offs or pick-ups are allowed in **ANY** parking lot at CRHS (this includes student lot, teacher lot and front of school visitor lot)
- If you are dropping off or picking up, please use the lane closest to the side of the building (not the outside lane) to help us prevent accidents
- When you enter our campus off the Parkway for morning or afternoon, please use **BOTH LANES** the entire way until you reach the Courtyard (where the Zipper begins). Once you reach the merge, cars alternate to proceed to single lane traffic using the inside lane. Campus Security is

positioned at the merge to assist and ensure traffic continues to flow. Using both lanes until the merge prevents traffic from backing up on the parkway during heavy traffic time frames.

- When picking up a student, please pull up all the way to the orange cone in front of the school (unless you are picking up a band student closer to the band room). **DO NOT** allow a student to get in your car in the pick up lane unless you are in front of the building.
- If you have an early dismissal, we recommend that you try to arrive at the school before 3 p.m. to avoid traffic.
- We respectfully request your understanding and cooperation with this process (we assure you no one is trying to 'sneak in' by using the left lane), as our security is doing their best to ensure safety and to support our policies and procedures.

4K Pickups during High School Dismissal

- DO NOT drop off students in the bus loop area.
- 4K Parents, if you are picking up your child in the back of the school during High School Dismissal time (3:40 p.m.), please be aware of the new traffic pattern. Follow the signs for cars so as to not cause traffic concerns with our busses picking up high school students. Any questions, please talk with Mrs. Livingston, the 4K Teacher.
