Entry 9 Enrollment & Retention

Completed - Aug 4 2023

Instructions for submitting Enrollment and Retention Efforts

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2022-2023 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2023-2024.

*SUNY-authorized charter schools

The education corporation must include a plan for the charter to meet or exceed enrollment and retention targets established by the SUNY Trustees for students with disabilities, ELLs, and students who are eligible to participate in the FRPL program. See the [enrollment and retention target calculator](#) to find specific targets.

Entry 9 Enrollment and Retention of Special Populations

Good Faith Efforts to Meet Recruitment Targets (Attract)

	Describe Recruitment Efforts in 2022-2023	Describe Recruitment Plans in 2023-2024
Economically Disadvantaged	<p>During our student recruitment process, we widely advertise our admissions window in Bronx newspapers that reaches out to various areas where economically disadvantaged families reside. For our online application, we indicate it as a preference to encourage families to apply. We inform families we are a public school and that there is no cost associated with attending. For families who are severe need and cannot afford the entire uniform, we provide as much assistance as we can so they get what they need.</p>	<p>We will continue all advertising efforts that we know are viewable to areas of ED families. We also advertise in free newspapers so that we reach families who are unable to afford to purchase other publications. We will continue to provide assistance for uniforms for those families who are in severe need.</p>
English Language Learners	<p>As part of our student recruitment process every year, we advertise in various local papers. During this time, bilingual staff members from BCSE visit various early childhood education centers to distribute applications and share knowledge about what the school has to offer for students who are English Language Learners (ELL). Currently, our applications are translated in Spanish and Bengali.</p>	<p>We will continue our efforts by continuing to advertise and visit early childhood education centers. We will also attend Charter School open houses that are offered by the NYC Charter School Center. We hope to one day be able to set up a Charter School open house solely in the Bronx to reach out to more families.</p>
Students with Disabilities	<p>During our student recruitment process, prospective families who indicate they have a child with a disability are informed that we have a dedicated student support service department that will help them one on one once they are accepted.</p>	<p>We will continue to extend our time and knowledge on a case by case basis for those families who have a child with a disability. It is very important for us to keep this culture as it shows how hard we are willing to work with a parent in making their child succeed no matter what setting is required.</p>

Good Faith Efforts To Meet Enrollment Retention Targets

	Describe Retention Efforts in 2022-2023	Describe Retention Plans in 2023-2024
Economically Disadvantaged	<p>Once we have established who falls into the criteria, we are able to connect with camps and programs that specifically target this population. We then work with the families who are interested in these programs and go through the steps of putting the student in the program. Programs have been offered during the school year and in the summer.</p>	<p>We will continue to research what programs are offered to this specific population and provide them with as many opportunities as we can for their children. We are working on obtaining uniform vouchers for those families who absolutely cannot afford uniforms for their children.</p>
English Language Learners	<p>At the time of registration, families are given a survey that helps to identify what the primary language in the household is. We find that 10%-15% of kindergarten students are eligible for NYSITELL testing. This test helps us identify the level of English proficiency in the student. Through immersion and high quality assistance from the teachers, students are tested out by the time they first or second grade.</p>	<p>The process for identifying ELL students will remain the same as it has worked over the years. One new addition we will work to implement this year is purchasing literature or software. An additional supplement they can do at home with their families so that they all are getting the benefit of learning.</p>
Students with Disabilities	<p>BCSE mainstreams students with special needs. Additionally, BCSE serves students who have special learning needs and provides services including: Integrated CoTeaching (ICT), Special Education Teacher Support Services (SETSS), Counseling, Speech, Occupational Therapy and Physical Therapy. We also have staffed positions whose focus is solely on student with disabilities. They work hard to get students the services they</p>	<p>We will continue to work with families on a case-by-case basis to educate them on what the child's IEP means and why they should receive the recommended service. We will begin servicing the child as soon as possible. If for any reason, a parent doesn't agree with the mandated services, we will help them with the appeal process as well. The ultimate goal is get the correct services for the student so that they can eventually go from what</p>

need so that eventually the student can be phased out of the Individualized Educational Plan they were given.

may be a complex setting to a less complex setting then eventually phasing out.

Entry 10 – Teacher and Administrator Attrition

Completed - Aug 4 2023

Form for "Entry 10 – Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System – Employee Clearance

Required of ALL Charter Schools

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

1. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.nysed.gov/common/nysed/files/programs/charter-schools/employeefingerprintoct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Emergency Conditional Clearances

This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 1, 2023 submission. Charter schools must upload a final school calendar into the portal and may do so at any time but no later than **September 15, 2023**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools "... *unless the school's charter requires more instructional time than is required under the regulations.*"

Board of Regents-authorized charter schools also are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month (also used to align to schools with extended days/years referenced in their mission statements/key design elements). See an example of a calendar showing the requested information. Schools **must** use a calendar format and ensure there is a monthly tally of instructional days.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.
