

SPONSOR DECK

OUR MISSION

Our mission is to develop well-rounded students through excellent academics and extracurricular activities, while seeking to win the lost to Christ and equip Christians with the skills and the knowledge to change the world for Christ.

In short, **we are educating world-changers for Christ.**

KEY MOMENTS IN OUR

HISTORY

1968

Pastor Robert Miller, seven board members, a group of families, and about 100 students came together and Florida Christian School was born.

1998

FCS purchased a 16-classroom school building with a 4.5 acre parcel of land. This addition increased the maximum number of students to 1,420.

2014-2019

A campus beautification project brought a new look for our buildings and grounds, along with new classroom furniture, lighting, and technology.

2020-PRESENT

Dr. Jason Harrison joined Florida Christian School as the new Headmaster. FCS continues to be one of the leading private Christian schools in Dade County.

PROJECT

VISION

Our goal is to **create a space that our Patriot Athletes are proud of.**

We are walking in the answered prayers of those who came before us. Let's build on this legacy by elevating student and family experiences with intentionality and care. We want our campus to be a reflection of our spirit of excellence.

OUR VALUES

- Jesus is at the center
- Academic excellence is our aim
- Growth is our goal
- Family is our focus
- Eternity is our perspective

PROJECT

PLANS

Athletic spaces are often the hub of the school where students, families, and alumni gather together all year long. Our plans are to elevate the experience **inside the Alumni Gym** and **outside on our fields**.

Our aim is to improve the functionality of each space and unify the look with the Florida Christian School brand. We care about our facilities and want to put our best foot forward.
