

**ELPS BOE 2023-2024 GOALS & OUTCOMES**  
**(BOE Adopted 9.11.23)**

**Pathways Programming:** The BOE will support the expansion of the East Lyme High School Pathways Program including the district's development of community partnerships and career/technical education learning opportunities.

Outcomes:

1. The Pathways Program will be available to the entire ELHS student body.
2. Create a baseline for student participation in the varied Pathway options that are provided for individuals.
3. At least seventy-five percent (75%) of student participants will be satisfied with the program.

**Culture and Climate Progression:** The BOE will support the district and school initiatives to advance a safe and inclusive learning environment.

Outcomes:

1. Survey responses will increase by ten percent (10%) for each group engaging in the provided climate survey.
2. We will facilitate focus groups with all stake holders around culture and climate.

**High Level Instructional Practices, Assessment, Growth/Development for Students:** The BOE will support the further achievement, development, and growth for all students.

Outcomes:

1. The percentage of 5th graders meeting or exceeding proficiency on the state summative assessment will improve by ten percent (10%) from the previous year's cohort.
2. Support the implementation of financial literacy at the high school & health/nutrition literacy at all levels.

**District Marketing/Branding/Social Media Strategy:** The BOE and administration will strengthen district marketing & branding through increased revenue opportunities and implementing the use of social media strategies.

Outcomes:

1. At least \$1,000 dollars in revenue funds will be generated through paid advertising by June 30, 2024.
2. Implement a social media strategy and stronger social media presence.
3. Establish a partnership with the EL Education Foundation.
