# Parent Accounts for PowerSchool

### **Create a NEW Parent Account**

- 1. To create a **new** Parent Account in PowerSchool, you will first need to contact your child's school and ask for a **PowerSchool access ID and access password**. This will be different for each student.
- 2. Go to: <u>https://brownsburg.powerschool.com/public</u>.
- 3. Select the **Create Account** tab and click the **Create Account** button.
- 4. Complete the **Parent Account Details** section with your name and email address. Create a username and password. (Passwords must be at least 8 characters long.)
- 5. In the **Link Students to Account** section, fill in your student's name along with the Access ID and Access Password you were given. Add all of your children at this time, or add additional children at a later date.
- 6. Click **Enter** at the bottom.
