

Career Pathways

MI CASA
RESOURCE CENTER

Mi Casa Resource Center connects youth and adults to opportunities in education and employment.

Our Career Pathways program teaches job-seekers the skills they need to succeed in today's workplace through workshops, intensive career readiness and industry specific training, 1-on-1 career coaching, and connection to higher education.

With our personalized approach, we work with each participant to identify their goals and develop a customized plan to reach them. Our team also provides wrap-around support services through job search and up to one year post-employment to address personal challenges job-seekers face in securing and maintaining employment.

Workshops

Mi Casa offers a variety of free workshops and professional networking opportunities, including:

- Rev Up Your Resume
- Effective Workplace Communication

Training

Mi Casa offers intensive training programs to prepare job-seekers for careers in high-growth industries with strong earning and advancement potential.

Career Skills Training Program

Two-week training program that supports individuals looking for a new career path or wanting to improve in the areas of:

- Resume-writing
- Professional communication
- Interview and networking skills
- Digital literacy

Financial Services Technical Training

Three-week technical training program that prepares job-seekers for frontline roles in banks and credit unions. Training covers:

- Cash-handling
- Customer service
- Financial products
- Bank security
- Participants can earn a National Retail Federation Certificate

Career Coaching

Mi Casa offers 1-on-1 appointments with our expert team of bilingual career coaches to practice your interview skills and refine your cover letter and resume. Plus you'll get access to our on-site computer lab.

Higher Education

Mi Casa is proud to partner with Community College of Aurora (CCA) and Metropolitan State University of Denver (MSU Denver) for a new "stackable credentials" program to provide our participants with a pathway to affordable and attainable higher education:

- Earn college credit through Mi Casa's Financial Services Technical Training
- Continue working toward Banking Essentials and/or Supervision Fundamentals Certificate at CCA
- Transfer all credits to MSU Denver for B.S. in Banking

"Not only did I gain the confidence to talk to customers and clients, but now I'm also clearer on my future career path. I enjoyed the employer tours that Mi Casa took us on so I could see how banks and credit unions really work."

-NATHAN,

Mi Casa Financial Services Graduate

"Mi Casa's staff always encouraged me to apply for the jobs I really wanted. I wasn't going to settle for just anything – I wanted something I could build a career in."

-BRIANA,

Mi Casa Career Skills Graduate
