December 18, 2021

Dear Parents,

As we continue to update our Reopening Plan to accommodate students, we have decided that we will be changing from our current block scheduling for grades 7-12 to break these classes into single periods. Although the block schedule assisted us in limiting student travel, we do not see the benefits of this type of schedule as it has not decreased our rate of spread.

Please feel free to contact me with any questions.

Mark White
Superintendent
