Dear Parents,

As we begin the 2022-2023 school year, we will be moving to a more normal feel to school that we have lacked for the past few years. We will continue to follow the CDC and NYS guidelines for quarantine and exposure to COVID-19. Mask mandates and social distancing will no longer be necessary. We will return to eating all meals in the cafeteria as well.

Our district will be fully in-person learning with no option for remote learning. If students are in quarantine, the district will work with the family to determine the academic needs of the students and get materials

Please feel free to contact me with any questions.
