

THE AIM OF RELATIONSHIP AND SEX EDUCATION

<p>The Aim</p>	<p>The aim of Relationship and Sex education is to provide balanced factual and age appropriate information about human reproduction, together with consideration of the broader emotional, ethical, religious, and moral dimensions of sexual health. Our Relationship and Sex Education programme aims to prepare students for an adult life in which they can:</p> <ul style="list-style-type: none"> • develop positive values and a moral framework that will guide their decisions, judgements and behaviour; have the confidence and self-esteem to value themselves and others and respect for individual conscience and the skills to judge what kind of relationship they want • understand what consent means and factors which influence one’s ability to consent • understand the consequences of their actions and behave responsibly within sexual relationships • avoid being exploited or exploiting others or being pressured into unwanted or unprotected sex • communicate effectively by developing appropriate terminology for sex and relationship issues • develop awareness of their sexuality and understand human sexuality; challenge sexism and prejudice and promote equality and diversity • understand the arguments for delaying sexual activity • understand the reasons for having protected sex • have sufficient information and skills to protect themselves and, where they have one, their partner from uninvited/unwanted conceptions and sexually transmitted infections including HIV • be aware of sources of help and acquire the skills and confidence to access confidential health advice, support and treatment if necessary • know how the law applies to sexual relationships, consent and sexual harassment
