

MAP Testing Preparation – Autumn 2023

What is MAP Growth?

Students cannot pass or fail this test.

Spring MAP Growth tests help us measure student growth over the year.

This test will not affect grades.

The test is adaptive and it's normal for students to answer only half the questions correctly.

Reports will be shared with parents when testing has been completed.

Students take Reading, Mathematics and Language Usage Tests.

Students and Parents are encouraged to follow the link for more information about the MAP test: <https://www.nwea.org/the-map-suite/family-toolkit/>

Testing Schedule: Week of September 25th

Elementary schedule:

DAY	Periods	Test
Tuesday	1	Reading
26-Sep	2	Reading
Wednesday	1	Language Usage
27-Sep	2	Language Usage
Friday	1	Mathematics
29-Sep	2	Mathematics

Middle and Secondary Schedule:

DAY	Periods	Test
Monday	1	Reading
25-Sep	2	Reading
Tuesday	3	Language Usage
26-Sep	4	Language Usage
Thursday	7	Mathematics
28-Sep	8	Mathematics

If students are absent, they will make up the test they missed Period 5&6 during the week of October 2nd.

On Test Day

- Eat a good breakfast
- Remember the MAP testing strategy: *"Take a breath, read the question, take your best guess, move on"*
