

Harmon's Passion Makes For A Perfect Nurse

TUPELO, Miss. — Sharon Harmon has worked in the Tupelo Public School District as a school nurse for 16 years. Before joining TPSD, she was a critical care nurse in the Intensive Care Unit for 20 years.

Compassionately caring for sick people is what drew Sharon into nursing. She loves her role as a school nurse because she gets to love on each child as if they are her own.

“My goal each and every day is to keep healthy students and staff in the classroom and assist families in maintaining their child’s wellbeing,” she said.

When she’s not at work, Sharon loves to spend time with her family. She continues to be a blessing to others in her free time by participating in her church’s ministries.

This week’s TPSD Staff Spotlight, sponsored by Sunny 93.3 and Buffalo Wild Wings, is Sharon Harmon of Thomas Street Elementary.
