## HEAD OF BASKETBALL Cameron Seeley

Email - [seeley.c@millfieldschool.com](mailto:seeley.c@millfieldschool.com)

Cameron Seeley has been running the basketball programme for nine years. A former international senior men's captain, Cameron recently served five years as the Performance Director for Basketball Wales following a stint as the Senior Men's Head Coach. During this time, he was a critical member of the team who oversaw the GB Basketball Performance Programmes. He is an EB Level 3 coach who has several national schools and colleges titles on his resume. He has experience coaching at Senior Men's EBL Division 1 level during his time with the Taunton Tigers, where he was central to the formation of a successful Academy National League Programme. Cameron is passionate about player development and works with several governing bodies across the UK and Europe to deliver basketball camps for young players, having previously worked for the likes of Nike and the NBA.

## THE PROGRAMME

### WHAT TO EXPECT?

Full time basketball players have access to the normal games programme (three sessions a week) plus additional shooting and skill development sessions. Individual coaching sessions are available with the Head of Basketball.

Players have access to athletic development programmes with our performance coaches. We have strong links to the regional set-up and have several players involved in the South West and other regional programmes, which is part of Basketball England's Performance Pathway to the national team squads.

Part time players who are involved in other sports can access as many sessions as their programmes will allow and are eligible for selection in fixtures.

### WHO CAN DO IT?

Basketball is available for boys across all year groups at the school. The seniors have a year-long programme across all three terms. The junior programme is available across two terms. Girls can access some sessions across two terms.
