

Rokeby Primary School

Friday 15th September 2023

A note from Mrs Allan

What a great second week back! Well done to our wonderful Rokeby learners. Our new children have settled in well.

Please practise times tables and number bonds at home, as much as you can. It will help your child immensely.

Have a great weekend.

What have we been up to?

There has been lots of fabulous learning taking place in all of the classrooms. Our RP class made the most of the good weather by playing in the paddling pool. Miss Palmer's class have been using resources to count and show different amounts to 10 and Mrs Brindley's class have had their first drumming session, where they learnt about rhythm and tempo.
