

MAKE AN IMPACT THAT GOES BEYOND THE PITCH

HELP US REACH OUR GOALS

PRACTICE FIELD IRRIGATION

PROJECT: Install automated irrigation system on the soccer practice field. Project will be partially completed by coach, player, and volunteer labor and installed by irrigation contractor.

TIMELINE: SPRING 2024

FUND RAISING GOAL: \$7,500

LEVEL PRACTICE FIELD

PROJECT: Install fresh dirt and sand to level the practice field to improve draining and turf growth. Also level field adjacent to practice field to add another safe and effective playing surface for the program. Project to be completed by coaches, players, and volunteers.

TIMELINE: SPRING 2024

FUND RAISING GOAL: \$2,000

PRACTICE FIELD LIGHTING UPGRADES

PROJECT: Install lighting control panel to minimize wear and tear on the breakers in the power panel and provide a safe way for coaches to control field lights.

TIMELINE: SUMMER 2024

FUND RAISING GOAL: \$3,000

PRACTICE FIELD NATURAL TURF

PROJECT: Hire the natural turf seed, herbicide, and fertilizer contractor that maintains the football and baseball fields to install and maintain a natural turf surface.

TIMELINE: SPRING 2024

FUND RAISING GOAL: \$4,000 ANNUALLY
