Taekwondo (Grades: 1 - 4)

Taekwondo, a Korean Martial Arts that was developed more than 2000 years ago and a part of the Summer Olympics. This class is designed to captivate the interest of young kids. Skills are developed through gentle instruction and appropriate games for their ability. Teaching kicking, punching, blocks and self defense. Using activities to captivate the interest of the young ones from stretching to engaging games that incorporate physical fitness, self defense, balance, memory, coordination, teamwork, character development, control, respect and discipline of martial arts training that can even be used in everyday life. The class will have two instructors and kids will be divided up by age/ability level. Real Wood Board breaking experience included at the end of the program (if student prefers). The program is taught by Master Fernando and Master Mary Ann from Agbon Martial Arts, Wilmette and is open to all students (grades 1-4) of all belts (beginners included, no prior experience necessary). Fee covers only After school Taekwondo lessons; additional optional fees are belt test, uniform required for joining the belt test and tournament fees if you prefer to join.

Total Sports Enrichment (Grades: K - 2)

This class features a new sport each week. Some of the sports taught and played include basketball, floor hockey, football, kickball, soccer, and baseball. In addition, participants play many popular running and group games. Children have the opportunity to acquire new skills and develop confidence in games they have played in previous classes.

Build a Play (Grades: 1 - 4)

Northlight classes are designed to be interactive, collaborative, and fun! We provide students with the opportunity to make new friends, stretch their acting muscles, and create original performances. In Build a Play, we will use a book, poem, or other piece of art to spark our creativity and dream up a brand new story to share in a final presentation for family and friends.

Chess Enrichment Program (Grades: 1 - 4)

CHESS-ED provides this professional instructional chess program that is both exciting and dynamic. The curriculum includes the basics through opening game principles, middle game tactics and strategies, and end game combinations plus other ideas. Classes will also include time for students to practice what they learned and play each other with instructor oversight. Each student will move to a new level of skills and chess knowledge. Life skills are developed that will enhance all learning and promote academic success. Join TODAY!

Elementary Drawing Class (Grades: K - 4)

We are back to school and back to drawing with Young Rembrandts! This sessions selection of drawings introduces our students to a fascinating world of color, pattern, and design. We say goodbye to our favorite summer memory in our detailed still life drawing of a beach. We explore color usage and composition in our silly monster and fire truck drawings. You will be Moved with our stylized patterned cow drawing that not only challenges our technique but also our color scheme. Our students will learn cultural themes as they draw and color Kawaii art. Hurry back in and register for these back-to-school favorites! Sign up today!
