

Law Enforcement Program of Study

Alfredo Tellez

I am a native of El Paso, Texas. I graduated in 1980 from Jefferson High School and went on to serve in the military for four years in the United States Marine Corps. After separating from the Marines, I worked for the University of Texas at El Paso, Police Department, and the Texas Department of Public Safety.

In 1993, I began working for the El Paso County Sheriff's Office as a Detention Officer, then promoted to Deputy Sheriff. As a Deputy Sheriff I worked various patrol assignments. I spent the last 21 years of my career as the Senior Canine Handler for the Sheriff's Office assigned to several specialized units. I retired from the Sheriff's Office in February 2018 and began teaching at San Elizario High School in March 2018.

I am currently the teacher for the Law Enforcement Program of Study under Career and Technical Education. Some of the courses in the program are Principles of Law, Public Safety, Corrections and Security, Correctional Services, Law Enforcement I, Law Enforcement II and Practicum in Law, Public Safety, Corrections, and Security. We also have a Milo Range Simulator for our law enforcement students to provide them real life scenarios that brings relevant real-world experiences into the classroom.

I am also a Career and Technical Advisor for the Law Enforcement students in SkillsUSA.
