***Spring/Summer 2020 and School Year 2020-2021 GRADING**

Due to the coronavirus pandemic, Tustin Unified School District adopted a **Credit/Incomplete Grading Policy** for the **Spring/Summer 2020 semester** and **School year 2020-2021**. A "CR" for Credit indicates that the student fulfilled course requirements satisfactorily. A "NC" for No Credit indicates that the student did not fulfill course requirements; this does not count in the student's GPA. An "I" for incomplete indicates the student was not able to complete the course. Only students who submitted a petition for a letter grade during this time received traditional letter grades on their transcript.

Credit Recovery and Remediation

Students who earn a D or F in most of our courses are eligible to participate in our credit recovery/d-validation program. Once a student recovers a class, the original class is r-tagged out of their transcript, meaning that while the original class remains on the transcript, it is removed from their credit count and GPA calculation.
