

SEPTEMBER 2023

What's UP

The Greenheck Turner Community Center is committed to meeting community needs by providing opportunities for all in areas of recreation, wellness, athletics, and social activities.

Logan Cherek
DCE Senior

AN OPPORTUNITY TO GROW

Logan Cherek is a senior at D.C. Everest Senior High and part of the Boldt Youth Apprenticeship Program. This excellent opportunity allowed him to work on the construction site all summer as the Greenheck Turner Community Center began major construction.

According to Allison Knautz, Workforce Development Manager for Boldt, *“Logan was a natural fit for the program because he demonstrated excellent communication skills, work ethic, and a desire to learn all trades.”*

Boldt is the general contractor and project manager for the Greenheck Turner Community Center. The Youth Apprenticeship program allows students to gain educational experiences across multiple trades and gain industry knowledge for an informed post-graduation career decision. Each apprentice is matched with a mentor who provides opportunities for skills enhancement and career support. Logan has a unique ability, as a high school senior, to consistently problem solve, work around his high school schedule, continue as an athlete playing baseball, and excel as a young adult.

The program encourages students to learn the trades, observe the projects, and be a part of the community where they live and will leave a lasting impression.

Greenheck Turner Community Center

GTCC

“I really like working with so many different trades. I learned from the steel workers, the crane operators, the electricians and the mechanical contractors, while contributing to a project that will be here for years.”

~Logan Cherek~

Logan is earning school credits through his participation in the State of Wisconsin's Department of Workforce Development Youth Apprenticeship Program available at D.C. Everest High School for participating juniors and seniors. Boldt provides this program as an opportunity to highlight careers in construction and provide pathways into the union of their choice for continued employment at Boldt.

During the school year, Boldt will work with the High School teachers in the Technical Education department to give tours, and allow high school classes to view practical onsite trades as the interiors are installed.

The trades profession can be an excellent opportunity for students as they graduate high school. Skilled youth apprentices can distinguish themselves from their peers when applying for jobs in this high demand field.

BOLDT®

FALL

in LOVE with Fitness Challenge

Greenheck Turner Community Center has opportunities for you with a variety of classes including cardio, weightlifting, and yoga/meditation- with the only gym in the area offering **Les Mills** classes! Our goal is to provide a service to our community so we have reasonable rates and a judgment-free gym atmosphere. New members receive a **FREE WEEK** of classes to try! Classes are offered every day of the week, with a variety of times, intensity levels, and instructors. Register for classes on the Mindbody App.

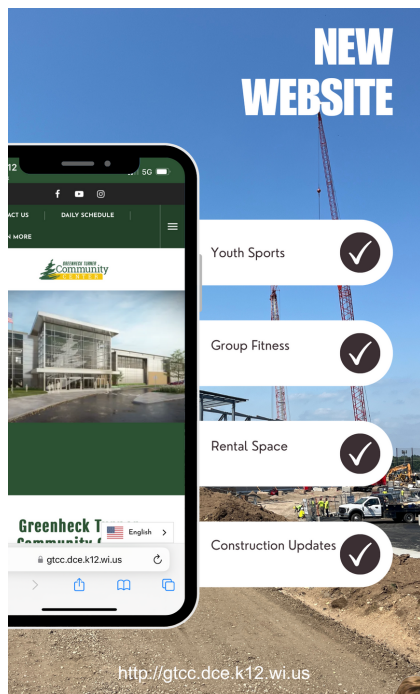

FITNESS CENTER & PERSONAL TRAINING

Carson Laffin is a DCE alumni with certifications in NASM Personal Training, a bachelors degree in Physical Education and a minor in Health. He is a competitive body builder and nutrition coach. **Chuck Zoromski** is also a DCE alumni with certifications in NASM Personal Training, Senior Fitness, Corrective Exercise, Boxing and Meditation. Both have options to fit your lifestyle. Email gtccfitness@gmail.com to make an appointment. The Fitness Center is available: Monday - Friday, 4:30am - 10:30pm and Saturday & Sunday, 6:30am - 10:00pm. This spacious center offers high quality equipment with a variety of bikes, treadmills, free weights and weight machines. Monthly memberships start at \$7 and options are available for families and couples.

Steel

The steel truss sections are going up at the construction site. The first one weighs approximately 100,000 lbs. and the other 14 are about 65,000 lbs. There are 15 total sections. Three different cranes work together to erect the truss sections allowing the inside ceiling of the turf area to be tall enough for a football kicker to punt and kick with no limitations. In the next few weeks, the roof will be installed and the building will be enclosed for the winter months. Near January the interior work will begin with carpentry, paint, plumbing, and electrical work to ensure the building is open in the Fall of 2024.

A new website launched on September 1, 2023, with an updated name and easier navigation. The Greenheck Turner Community Center name and logo updated to reflect the new building addition and expansion into the new year. The new facility will open in the fall of 2024. For more information, please visit the Greenheck Turner Community Center website at:

<http://gtcc.dce.k12.wi.us>

BIRTHDAY PARTIES

Put your mind at ease with a party at Greenheck Turner Community Center. Every birthday party is customized to fit your needs and includes 1-hour use of a party room and 1-hour of an activity package. When you book a party with us, you won't have to exhaust yourself with extra set-up, cooking, cleaning, or keeping everyone entertained. Visit our website here: <http://gtcc.dce.k12.wi.us/quick-links/birthday-parties> and start your planning today by contacting our in-house party coordinator. Your party includes a Birthday Party Attendant, souvenirs for the party guests, a gift for the birthday child, and food/beverage option add-ons. Pick from:

- Gym Party
- Bounce House Party
- Climbing Wall Party
- Public Skate Party
- Private Skate Party
- NERF Party
- *COMING SOON*
- Turf Party & Sport Simulator Party

FLAG FOOTBALL

Our flag football program is back for another action-packed season on the gridiron! Teams kicked off the season with Youth Night at halftime of the Varsity Football Game at Stiehm Stadium on Friday, September 8. Students in 3rd-6th grade will play flag football games now through October 7, 2023, with high school players helping referee games.

Thank you to the volunteer parents who help coach and make this league a success. Watch the website page for more recreational sport opportunities throughout the year. <http://gtcc.dce.k12.wi.us>

Upcoming Events

GREENHECK TURNER
Community
CENTER

D.C. Everest Area
SCHOOL DISTRICT

PRESCHOOL

Greenheck Turner Community Center offers preschool for children age 3-5 at a reasonable cost. The primary purpose of our program is to provide each child with an opportunity to be exposed to a variety of basic preschool skills including coloring, use of scissors & glue, listening and following directions along with social interactions with other children. Children will also be introduced to a variety of literature to enhance reading and readiness skills.

All classes take place from 9:00-11:30 am.

Classes are held at Redeemer Lutheran Church in Weston and are taught by Cyndi Schaefer.

Wednesdays for age 3-4 or Tuesdays/Thursdays for age 4-5

If D.C. Everest schools are cancelled due to weather or if the church needs use of their space, preschool will not meet.

Sessions are split into four sections throughout the year.
Session 2: October 24-December 7
Session 3: January 2-March 20
Session 4: April 2-May 9
