VIII. Research Design
Research Questions – What questions are being investigated?
Research Design – Provide a brief summary of your research design including: (1) theoretical framework; (2) a description of study sample(s); (3) data tools & methodological procedures; (4) logistics (e.g. recruitment, data collection). Additional details may be uploaded as a separate document on the Research Request Submission page under "Other Attachments".

Research Timeline – Include a detailed timeline for each year of the study. Include proposed dates for data collection, data request from Administration Office, reporting requirements, and expected date(s) of results.

Note: Each approved application is good for one calendar year. If project exceeds one year you will have to reapply each year.

IX. Project Location

Please indicate the PSJA ISD campus(es) and/or facilities you wish to include in your project. If this section is not applicable to your project, select the "No Schools" or "other" option.

X. Data Requests

IMPORTANT INFORMATION REGARDING DATA REQUESTS AND COLLECTION

- Individual students, staff, and/or schools may not be identified in any research product.
- No data collection is allowed on assessment days.

INFORMED CONSENT FORMS

- Parent consent is required for all project collecting or requesting identified student-level data.
- Consent is required to collect new data from students, staff, parents, or other participants.
- All forms must be written in English and Spanish.
- Copies of consent forms must be uploaded with your Research Request Form.

Data Collection Methods

Fill out the table below. For each group, indicate the approximate number of participants, time required, frequency, & compensation for each method that apply to entirety of your project. For example, a project requiring a 10-minute survey given 3 times for each of 2 years should indicate 10 minutes & a frequency of 6. Upload copies of all data collection protocols to the Research Request Submission page. Note: Each approved application is good for one calendar year. If project exceeds one year you will have to reapply each year.

XV. Assurances to PSJA ISD

By submitting this application, you agree to the following terms

- 1. This application is a request for assistance with a research project in Pharr-San Juan-Alamo ISD (PSJA ISD). This is **NOT** a request for information via the Texas Open Records Act.
- 2. All research must be completed in compliance with federal, state, and local policies. Privacy, risk, and confidentiality requirements include those outlined in the Family Educational Rights and Privacy Act (FERPA), Protection of Pupil Rights Amendment (PPRA), and Children's Online Privacy Protection Act (COPPA).
- 3. Data collected from students, staff, and/or parents requires appropriate, informed permission that is easily read. Where applicable, data collection must abide by both district and Institutional Review Board (IRB) policies. Information may not be distributed or used beyond the project without prior approval from Pharr-San Juan-Alamo ISD.
- 4. Principal agreement to participate at any campus location must be secured prior to any active data collection (see Attachment B). Ongoing permission must be secured prior to implementation of any data collection method, and stakeholder privacy must be maintained through approved data collection and data storage procedures.
- 5. Requests for centralized information must be accessed through Public Information Request to be executed between the researcher and district.
- 6. Supervision of this project and responsibility for a report on its outcome(s) rests with the researcher. The privilege of conducting future studies in PSJA ISD is contingent upon the fulfillment of such obligations. Final reports, summaries, and/or briefs are to be sent to grants@psjaisd.us upon completion.
- 7. Failure to abide by the requirements of this agreement may lead to the immediate revocation of the research project and any associated contracts. I understand that any intentional, knowing, or negligent release of confidential student information to unauthorized persons may also subject me to legal cause of action for violation of an individual's civil rights in addition to state or federal criminal penalties.

Thank you for completing the Pharr-San Juan-Alamo ISD External Research Application

NEXT STEPS

- For your project to be considered by PSJA ISD, this form must be completed, uploaded as an Adobe PDF to the *Research Request Submission page* on the PSJA ISD Grants Management web page under "Requesting Research" section.
- The Research Request Submission page will prompt you for copies of your support materials (e.g. MOUs/data-sharing agreements/contracts/consent forms, etc.)
- PSJA ISD requires proof of IRB. The *Research Submission page* will prompt you for IRB approval materials.
- Complete and upload required background check forms for all members of the research group. Background checks will be processes by PSJA ISD Human Resources Department.
- All forms can be found on the Grant Management web site under "Requesting Research" section.
