

Researcher Letter of Commitment

Obligation to Share Scientific Research of manuscripts that are successfully submitted to a journal for publication

An researcher who conducts his/her studies under the permission of the **Pharr-San Juan-Alamo Independent School District in Pharr, Texas** is obligated to submit progress and final research reports to the Grant Management Department as archive data for the Office of Superintendent. The final publication must provide a brief statement acknowledging the efforts, and giving appropriate credit of any participants or consultants (who are not included as authors of the manuscript) stating and giving merit to where the research was conducted (**Pharr-San Juan-Alamo Independent School District in Pharr, Texas**).

I _____ understand that supervision of this project and responsibility for a report on its outcome rests with me. The Grant Management Department will be notified of any changes throughout the research period including: termination of research, adjustments to timeline, and changes to survey etc... by the researcher. I also understand that the privilege of conducting future studies in the **Pharr-San Juan-Alamo Independent School District** is conditional upon the fulfillment of such obligations.
