**SOUTHAMPTON SCHEDULES VIRTUAL FORUM TO
GAIN RESIDENTS' INPUT ON NEXT TOWN ADMINISTRATOR**

Virtual forum slated for Wednesday, September 27th, 7:00 p.m.

Southampton, MA – The Town of Southampton is pleased to announce that a virtual community forum will be held on September 27th to offer Southampton residents the opportunity to share their thoughts regarding the skills and experience the next Town Administrator should possess.

The forum will be held on Wednesday, September 27th, at 7:00 p.m. and will be conducted online via Zoom link to allow for increased community participation.

“We are very interested in hearing recommendations regarding the expertise and qualifications Southampton residents would like to see in their next Town Administrator,” said Christine Fowles, Select Board Chairperson. “It is important that residents are an integral part of the Town Administrator selection process.”

The Town has hired the consulting firm *Community Paradigm Associates* to assist in the search process. Bernard Lynch, Principal of the firm, will facilitate the virtual forum.
