

The National Society of High School Scholars

June 7, 2023

Dear [REDACTED]

Congratulations! Amy Hemphill, an NSHSS Educator of Distinction at JSerra Catholic High School, believes membership in the National Society of High School Scholars (NSHSS) is an honor, a representation of great achievements, and an indicator of future success. Based on your outstanding academic achievement, you have been selected for membership in NSHSS. Your hard work has placed you among a select group of students and has earned you this invitation to join other outstanding high school scholars in recognition of your dedication to excellence.

Membership in NSHSS is by invitation only. To accept your invitation, please join online via our secure website at nshss.org using your personal confirmation code [REDACTED], or complete the enclosed member confirmation card and return it with the \$90 membership fee. Your membership deadline is July 31, 2023. In addition to your personalized membership certificate, you will also receive a free Graduation Tassel Drop.

NSHSS was founded by Mr. Claes Nobel, whose family established the world-renowned Nobel Prizes that reward individuals and organizations for world betterment. We welcome both you and your family to this tradition of excellence and invite you to mark this legacy with an inauguration to our academic society, an honor that will last a lifetime. Membership in NSHSS provides a special opportunity for you to distinguish yourself based on outstanding scholastic achievement and academic excellence. Your personalized membership certificate, bearing the NSHSS crest, may be proudly displayed as a testament to your achievement.

NSHSS also provides members with lifetime access to a variety of experiences and resources, including scholarships, leadership and study abroad programs, service activities, and exclusive discounts. NSHSS and its partners will award more than \$2,000,000 this academic year, including the Claes Nobel Academic Excellence Scholarship and the NSHSS STEAM Scholarship. As an NSHSS member, you will be able to apply for these scholarships along with awards for entrepreneurs, arts and humanities, leadership, research and academic paper submissions, and more.

According to NSHSS Fellow Dr. Yan Leyfman, "Mr. Nobel and NSHSS were among the initial catalysts integral to my present success. I have been a proud NSHSS member for the past 16 years. Because of NSHSS, I have had the pleasure to visit the United Nations and the New York Stock Exchange, meet inspirational figures, and moderate a COVID-19 informational panel. As a Fellow, my passion is to give back, educate, and inspire the next generation to reach for the stars and achieve their respective potential. NSHSS is truly an organization like no other that invests and empowers its scholars to be the leaders of tomorrow."

As you prepare applications for scholarships, college admissions, and future academic and employment opportunities, be sure to include your NSHSS membership under honors and awards. Dr. Leyfman affirms, "NSHSS is a wonderful organization with a mission to cultivate the next generation of global leaders. So, join today and take advantage of all the great opportunities to help you reach your potential!"

If your family suffers a financial hardship, please be aware that we offer fee waivers. Although we use each student's membership fee for the support of the Society, including all costs associated with member communications, benefits, scholarships, technology support, etc., we would not want to exclude any qualified student solely on a financial basis. Your contact information has been provided to us by the College Board Student Search Service.

I look forward to welcoming you as a new member of NSHSS. On behalf of the entire advisory board, I offer congratulations to you and your family.

Sincerely,

Alexis Adams
NSHSS Scholarships

P.S. [REDACTED] at JSerra Catholic High School is an NSHSS Ambassador!
