Because this is voluntary, the permanent employee or the evaluator may withdraw their consent to three year cycle at any time for any reason. If consent to the three-year cycle is voluntarily withdrawn, by either the evaluator or the permanent employee, the permanent employee’s evaluation shall be conducted within the same school year as long as the evaluator complies with the timeline specified in B (1) (b) above.

An additional goal of the Year-Round School concept was that of utilizing school facilities in the most cost-effective manner. This Article was archived in 2004 when the District committed to maintaining a single track schedule at all District schools.

Article Seventeen (XVII) – Professional Growth for Bargaining Unit Members who received their First Clear Credential After August 31, 1985

Original language was negotiated when the California Commission on Teacher Credentialing (CCTC) required documentation of professional growth for credential renewal. During the May 2016 negotiations sessions, the parties agreed that since the CCTC no longer requires the documentation to be submitted and the District provides frequent professional development for certificated staff, the article was no longer necessary.

Appendix A Appropriate Unit

The archived Appendix A includes various titles and positions that are outdated. During the 2023-2024 negotiations, the District and Association modified the language in Article 1, Section B, to define the appropriate unit. As a result, Appendix A was no longer necessary.

**ARTICLE VII
YEAR-ROUND SCHOOLS**

A. Statement of Employee Philosophy

1. No certificated employee shall be required to participate in any part or program of the Year-Round School if there are openings existing at traditional sites.
2. All of the programs, support personnel and staff ordinarily available at a traditional school site shall also be available at the Year-Round School site.

B. Definitions – “Year Round School”

1. "Bargaining unit member" as used in this article, shall include all certificated members of the bargaining unit.
2. A "track" shall consist of three (3) sequential periods of approximately sixty (60) school days separated by intersession periods. Tracks may run concurrently and may overlap, but all bargaining unit members on a given track will be "on track" and "off track" at the same time. Tracks may be varied to accommodate holidays and schedule configurations.
3. "Track off days" are full work days for the bargaining unit member, and time after student dismissal is duty-free, bargaining unit member-structured time.
4. An Intersession Period shall be an "off track" period of (usually) no more than twenty-three (23) school days separating each track. The intersession period shall not consist of bargaining unit member work days, with the exception of those days designated on the calendar as bargaining unit member/parent conference days, inservice days, moving days, preparation days, or coordinated school based program days. All of a bargaining unit member's work days must be consecutive to his/her on track work days.
5. The "Agreement" is the most recent or current agreement between the Association and the District.
6. Roving Bargaining unit member: A classroom bargaining unit member who moves monthly into a vacated classroom.
7. Itinerant Bargaining unit member: A bargaining unit member supporting music, science or physical education programs at one or more schools and assigned to Year-Round Education schedule or extended work year in grades 4, 5 or 6.

C. Work Year

1. The work year for a bargaining unit member in the Year-Round School Program shall be one hundred eighty (180) days of which 175 shall be instructional days.
2. The end of the school year track off days for all tracks shall be a minimum school day for students and staff. The Wednesday prior to Thanksgiving shall also be a minimum day for the three tracks in session. For the track that is not in session on the day before Thanksgiving the minimum day will be the "track off day" prior to Thanksgiving.

D. Miscellaneous

1. Bargaining unit members who are offered and who volunteer to work hours or days extending their contracted work year/day shall be paid their "hourly and/or daily rate of pay" for days of service rendered. However, bargaining unit members who work in the intersession program shall be compensated in accordance with the summer school salary schedule contained in the agreement. Bargaining unit members who perform additional duties specifically compensated for by the agreement shall be paid in accordance with the agreement.
2. Bargaining unit members cannot be required to work during the intersession period, except as provided in Article VI and B-3 of Article VII. However, bargaining unit members at a Year-Round School shall be given priority in receiving intersession assignments.
3. Bargaining unit members who are part of an itinerant teaching team shall not be required to work an extended year.
4. No bargaining unit member shall involuntarily be required to be a Roving Bargaining unit member.
5. Within the District's financial constraints, a reasonable effort will be made to provide a similar level of support personnel in the Year-Round Education Program as is provided in the traditional program.
6. Itinerant bargaining unit members who contract to work during their off-track time will be compensated at their per diem rate and their extra days will be added to their personal contract for purposes of health coverage, leaves, retirement, etc.
7. Bargaining unit members shall have the right to have their children in the track they choose provided space is available. An involuntarily transferred employee shall have the option of enrolling his/her child in the track of which the employee is assigned.
8. Bargaining unit members whose spouses are employed by the District shall have the right to be in the same track with their spouse, providing they bump no existing assignment. This does not supersede the transfer article.

1. Accumulation of credit for leave of absence (for illness or injury) need not occur prior to taking such leave by the bargaining unit member, and such leave of absence may be taken at any time during the school year.
2. Bargaining unit members employed as full-time summer personnel shall be entitled to one (1) day leave of absence for illness or injury with a summer school day's pay for each summer session worked. Such leave shall not be accumulated, nor shall it be deducted from any sick leave accrued under section R or R-1 of this Article.
3. The District may require a physician's verification of illness if a bargaining unit member has been on sick leave for more than three (3) consecutive days.
4. The District shall provide each bargaining unit member with a written statement of his/her accumulated sick leave. Such statement shall be provided no later than November 1st of each school year on monthly pay check provided that the Tulare County Office of Education continues to issue paychecks in the current format.
