

Weekly Eagle News – Middle School

Greetings RCMS Family:

It was a good week at Middle School. There were good practices and contests in our athletic program, our classes continue to learn and grow and we had our first session of Life Groups, where we talked through the truth of God as Creator, studying Psalm 100 and 139. Thank you for your support of our mission as a Christian school.

Also, please pray for me; I had wanted to tell you a joke about construction, but I'm still working on it.

Well anyways,

Upcoming Dates to Know:

September 13 (THIS WEDNESDAY) we will do our MAP Measuring. These assessments are important to let us know we are meeting our goals and your students are growing appropriately. Ensure a good night's rest for your student(s). Talk about the importance with your student to do their best and not rush through it. **Make sure your student has a book to read. Silent reading is the only option available if a student finishes a session early, so please have a book with you.**

September 19 Middle School MAKE UP PICTURE DAY

September 20 – 22 6th Grade Science Trip to Catalina.

RCS hosts three annual events to raise funds for need-based tuition assistance benefiting over 46% of RCS students. The **35th Annual RCS Golf Classic** is the first event of the year on Monday, November 13th. Please consider supporting RCS students by registering to golf, becoming an event sponsor or donating an item for the opportunity drawings. Register [online](#) today, limited to 120 golfers. Please remember, there is no school for the lower and middle schools Monday, November 13th.

Thanks for reading to the end and make it a great day,

Jim Bennett
MS Principal
