|-------|------------------------|---|--|---|---|--|---|--|--|--|-------------------|
| 13    | REGENERATING PLACES RE | How can engagement in the Community be achieved?  |  | What was to blame for the London riots? Complete a short webquest using the websites below to put together a case study card which explains what the London riots were about. | How can we use Parks model to compare disaster events                                   |  | Use blank parks model, apply to case studies                                  |  |  | 2. What are the causes of Globalisation and its accelerating pace  | 2-hour concept    |
| 14    | REGENERATING PLACES    |   |  |   | What are adaptation and mitigation strategies   | Assess the role of engineering in modifying tectonic hazard events.  | Evaluate the effectiveness of one type of hazard event modifying strategy (B) |  |  | 2. What are the causes of Globalisation and its accelerating pace  | 2-hour concept    |
| 14    | REGENERATING PLACES    | How do we evaluate the need for regeneration?   |  | Has Birmingham fallen into decline enough for us to need regeneration? - Use Nomisweb to gather statistical evidence on two areas of Birmingham                               | What are adaptation and mitigation strategies   |  | See above   |  |  |  |                   |
| 15    | REGENERATING PLACES    | How does the government prioritise infrastructure investment?   |  | Do you support the HS2 scheme? Explain in a 500-word statement. * Complete a cost benefit analysis of the Northern Hub Project using the grid provided                        | Who are the key players in modifying hazards  | Assess the role of NGOs in helping locations to adapt to hazard events.  | What are the Hyogo protocols and Sendai framework?                            |  |  | 3. How are political and economic decision making important factors in the acceleration of globalisation | 2-hour concept    |
| 15    | REGENERATING PLACES    |   |  |   |   |  |   |  |  | 3. How are political and economic decision making important factors in the acceleration of globalisation | 8 mark question   |
| 16    | REGENERATING PLACES    |   |  |   |   |  |   |  |  | 3. How are political and economic decision making important factors in the acceleration of globalisation | 2-hour concept    |
| 16    | REGENERATING PLACES    |   |  |   |   |  |   |  |  |  |                   |
| 17    | REGENERATING PLACES    | What are the Government's Policies and what are the implications of them on development?                        | Using examples, assess the role of central government in regeneration. (B)                               |   | Who are the key players in modifying hazards  | Assess the role of NGOs in helping locations to adapt to hazard events.  | What are the Hyogo protocols and Sendai framework?                            |  |  | 3. How are political and economic decision making important factors in the acceleration of globalisation | 2-hour concept    |
| 17    | REGENERATING PLACES    | How do local government policies aim to represent areas as being attractive for inward investment?              | Complete presentations   |   |   |  |   |  |  | 3. How are political and economic decision making important factors in the acceleration of globalisation | 2-hour concept    |
| 17    | REGENERATING PLACES    |   |  |   | Revision and recall.  |  | REVISION  |  |  | 4. How has globalisation affected some places and organisations more than others                         | 2-hour concept    |
| 18    | REGENERATING PLACES    |   |  |   |   |  |   |  |  |  |                   |
| 18    | REGENERATING PLACES    | What is rebranding?   |  | Conduct independent research into rural rebranding strategies with a special case study focus on Bronte Country.  | EOT test  | TEST   |   |  |  | 4. How has globalisation affected some places and organisations more than others                         | 2-hour concept    |
| 19    | REGENERATING PLACES    | What strategies can be used for Regenerating Rural Areas?   |  |   | What are carbon fluxes and stores?  |  |   |  |  | 4. How has globalisation affected some places and organisations more than others                         | 2-hour concept    |
| 19    | REGENERATING PLACES    |   |  |   | What are the long and short term carbon cycles  | Explain the importance of fluxes to the carbon cycle   | PDF article to read and make notes  |  |  | 5. Impacts of globalisation for countries, people and cultures and the physical environment              | 6 mark question   |
| 20    | REGENERATING PLACES    | How do we measure the success of regeneration projects?   | Explain two ways in which social measures can be used to assess the success of regeneration schemes. (4) | With use specific evidence evaluate whether regeneration here been successful in Plymouth?  |   |  |   |  |  |  |                   |
| 20    | REGENERATING PLACES    | What different types of investment are involved in urban regeneration?  |  |   | What is carbon sequestration - oceans   |  |   |  |  | 5. Impacts of globalisation for countries, people and cultures and the physical environment              | 2-hour concept    |
| 21    | REGENERATING PLACES    |   |  |   | What is carbon sequestration - Terrestrial and atmospheric                              | Explain the significance of carbon sequestration (6 marks)   |   |  |  | 5. Impacts of globalisation for countries, people and cultures and the physical environment              | 2-hour concept    |
| 21    | REGENERATING PLACES    |   |  |   | What is the greenhouse effect?  | *Complete the table to explain the implications of fossil fuel combustion on the climate, ecosystems and the hydrological cycle. |   |  |  | 6. The impacts of migration  | 2-hour concept    |
| 22    | REGENERATING PLACES    |   |  |   |   |  |   |  |  |  |                   |
| 22    | REGENERATING PLACES    | How can you evaluate the success of rural regeneration?   | Evaluate the role of different players in the success of rural regeneration projects. (20 marks)         | Complete exam question  | What is the human impact on climate?  |  |   |  |  |  |                   |
| 23-11 | REGENERATING PLACES    | Who are the Rural Key Players?  | Read the articles about the Eden Project. How do we know the project has been a success?                 |   | What are the patterns of energy consumption   |  |   |  |  | 7. Global culture  | 20 mark question  |
| 23-12 | REGENERATING PLACES    |   |  |   | What is the energy mix?   |  |   |  |  | 7. Global culture  | 2-hour concept    |
| 24-11 | WATER CYCLE            | Enquiry question 1: What are the processes operating within the hydrological cycle from global to local scales? | 2-hour concept   |   | Assess the extent to which one or more countries that you have studied is energy secure | Make a case study of Norway and the UK. (It can be in the form a poster or mind map).  |   |  |  | 8. Consequences of globalisation for global development and the physical environment                     | Folder/book check |
| 24-12 | WATER CYCLE            | Enquiry question 1: What are the processes operating within the hydrological cycle from global to local scales? | 2-hour concept   |   | Who are the players in the world energy market?   |  |   |  |  | 8. Consequences of globalisation for global development and the physical environment                     | 2-hour concept    |
| 25-11 | WATER CYCLE            | Enquiry question 1: What are the processes operating within the hydrological cycle from global to local scales? | 2-hour concept   |   | How are we meeting the global reliance on fossil fuels - alternative sources            | Assess the geopolitical risks to the world of its reliance on fossil fuels (11 marks)  | economist article   |  |  | 8. Consequences of globalisation for global development and the physical environment                     | 2-hour concept    |
| 25-12 | WATER CYCLE            |   |  |   |   |  |   |  |  | 8. Consequences of globalisation for global development and the physical environment                     | 2-hour concept    |

|       |                                     |   |  |                        |
|-------|-------------------------------------|---|--|------------------------|
| 13    | MIGRATION, SOVEREIGNTY .            | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 14    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 15    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle | mock                   |
| 15    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 16    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 16    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 17    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 17    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 18    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 18    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: What are the impacts of global organisations on managing global issues and conflicts?             | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 19    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 19    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle | 8 and 20 mark question |
| 20    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 20    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 21    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 21    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 22    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 22    | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 23-11 | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle | 6 and 20 mark question |
| 23-12 | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 4: What are the threats to national sovereignty in a more globalised world?                          | 2-hour concept; Action plan to review regeneration and water cycle |                        |
| 24-11 | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: How does water insecurity occur, and why is it becoming such a global issue for the 21st century? | Revision   |                        |
| 24-12 | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: How does water insecurity occur, and why is it becoming such a global issue for the 21st century? | Revision   |                        |
| 25-11 | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: How does water insecurity occur, and why is it becoming such a global issue for the 21st century? | Revision   |                        |
| 25-12 | MIGRATION, SOVEREIGNTY AND IDENTITY | Enquiry question 3: How does water insecurity occur, and why is it becoming such a global issue for the 21st century? | Revision   |                        |

|       |             |   |  |                         |
