COURSE LEVELS

Academic Level (ACA) Academic Level courses offer standards-based curriculum designed to support and challenge students in relevant and engaging coursework. Students will work collaboratively and develop critical thinking skills to problem solve, communicate, innovate, and produce complex work to demonstrate mastery.

Accelerated Level (ACC) Accelerated level courses are similar in design to academic level courses, but the student exhibits a higher level of independence and demonstrates above grade level analytical, reading and writing skills.

College Level Course (CLC) College Level courses balance individual inquiry and collaborative analysis with sophisticated depth of understanding, which help students to discuss and exchange ideas effectively. Coursework is geared toward the mastery of state and national standards extending beyond the typical high school curricula including Advanced Placement®, UConn Early College Experience, and Community College courses. These courses align fully with college level learning and instructors follow a strict set curriculum that is identified by the affiliated college and/or program.

Southington Activists for Gender Equality (SAGE) - Mrs. Tran mtran@southingtonschools.org

SAGE is a politically active group, working to strengthen the feminist community at SHS and in the Southington community. Members, both male and female, seek to redefine current perceptions of Feminism and strive to promote gender equality by creating an environment that both provokes and fosters discussion. SAGE reaches out to local organizations, hosts special events, and supports gender studies education. Join us and help change the world!

We have been responsible for such school activities as a week of caring, student/faculty volleyball tournament, and a variety of community service events. This is a very unique organization because it is designed to represent the general consensus of the student body.

Unified Theater - Ms. Cavanaugh kcavanaugh@southingtonschools.org

We meet every third Wednesday of the month in Room C108 after school.

World Language Honor Society - Mr. Bartoletti vbartoletti@southingtonschools.org

Directions on how to use FamilyID when registering for a sport

NOTE: PARENT/GUARDIAN AND STUDENT-ATHLETE MUST COMPLETE THIS REGISTRATION TOGETHER. THERE ARE SECTIONS ON THE FORM THAT REQUIRE BOTH STUDENT SIGNATURES AND PARENT SIGNATURES. Please be advised that physicals are still required to be turned into the nurse's office and preferably cover the entire season.

We are now offering the convenience of online registration through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

INFORMATION NEEDED TO REGISTER

It will be helpful to have the following information handy to allow for accurate completion of your online registration: Doctor's information, Health Insurance information, emergency contact names and phone numbers.
