Helpful Information:

- Drop off and Pick up are done by going to your schools assigned location and calling the Action phone number. Staff will come out in the AM and will bring your child to you in the afternoon.
- Please make sure anyone who picks up your child is a Trusted Contact on CampDoc and has identification to show Action staff.
- Trusted Contacts are people that are able to pick your child up from Action, different from emergency contacts.
- You can always add someone to this list by logging into your CampDoc account and selecting Trusted Contacts on the left hand side.
- Sometimes our schools can block reception to our cell phones, if you experience a dropped call give us a call back.
- Pick up times can be slower, especially in the beginning of the year. We appreciate your patience.
