State law requires that all schools notify parents in writing within the first 10 school days regarding the following KRS.

RE: TERRORISTIC THREATENING

Our most important function in the Robertson County School District is to provide the safest learning environment possible for all of our students and school staff members.

By Senate Bill 1/School Safety and Resiliency Act, the superintendent of each local district shall require the principal of each school to provide written notice to all students, parents, and guardians of students **within 10 days of the first instructional day of each school year** of the provisions of KRS 508.078 and potential penalties under KRS 532.060 and 534.030.

Terroristic Threatening in the second degree is defined in state law (KRS 508.078)

(1) A person is guilty of terroristic threatening in the second degree when other than as provided in KRS 508.075, he or she intentionally: b) Makes false statements by any means, including by electronic communication, for the purpose of:

1. Causing evacuation of a school building, school property, or school-sanctioned activity;
2. Causing cancellation of school classes or school-sanctioned activity; or
3. Creating fear of serious bodily harm among students, parents, or school personnel

(For the complete text for KRS 508.078 please see the attached page.)

Such threats to our students and school staff are completely unacceptable and will not be tolerated. As a result, the purpose of this letter is to notify all parents and guardians that school district officials (in coordination with responding law enforcement agencies) **will pursue immediate legal charges for felony terroristic threatening in the second degree, to the absolute fullest extent of the law, against anyone who makes threats, including students.** Moreover, we will advocate to our highest ability that the prosecution of these individuals be swift and their punishment be severe.

Our approach to eliminating terroristic threatening in our school is strong and unwavering. School officials and the school resource officer are determined to put a halt to these willful acts of terrorism being made toward our students. Together we can prevent this unnecessary, dangerous, and disruptive crime from victimizing our schools. I appreciate your partnership in keeping our schools the safest place for your students to learn and grow.

If you have any questions or concerns, please contact me at your convenience.

Sincerely,

Shanda Gay, Principal
