

Principal's Update

Bethlehem Elementary School Week of 9/18

Important Information

Greetings BES families,

It was so nice to see so many at the PTO Hot Dog Roast! Thank you to the PTO for organizing this wonderful event! The Book Fair and Mum Sale were also a great success.

As you all know, we had an unexpected fire drill/false alarm last week that children executed perfectly. During September, we will be practicing an evacuation drill as an entire school as well.

As a reminder, Bethlehem Parks and Recreation offerings will commence this week. Forms were sent home with the children. Forms and payment are submitted to Parks and Recreation : <https://bethlehemct.org/park-rec>

As always, if you have any concerns or comments please feel free to contact me directly at wyatsenick@ctreg14.org
