

Vision summary/ Curriculum intent:

Week	Unit	Year 7	Lessons	Curriculum mapping	Assessment Opportunities	Homework
1		What is Geography	1. What is Geography? 2. Fieldsketches	5b	Baseline test	Key words
2		What is Geography	3. KHS fieldwork. 4. KHS enquiry assessment	5b	Kineton High School Fieldwork write up	Key words
3		What is Geography	5. British isles 6. Map symbols	1a		Key words
4		What is Geography	7. 4 fig grid references 8. contours	5a		Key words
5		What is Geography	9. Latitude and longitude and 6 fig. 10. Scale	5a 1a		Key words; Knowledge Organiser
6		What is Geography	11. Curved Line distance	5a		Key words: Country profile ILT
7		What is Geography	12. Revision and end of unit test.		Map skills Test	Key words: Country profile ILT
October						
8		What is life like in Africa?	1. Perceptions of Africa 2. Climate and biomes	1a 1b 5a		Key words: Country profile ILT
9		What is life like in Africa?	3. Focus on East Africa 4. Formation of the Reef valley	1a 2a		Key words: Country profile ILT
10		What is life like in Africa?	ISSUE ILT 5. Barriers to development	3b 3c		Key words
11		What is life like in Africa?	6. Coffee farming in East Africa. 7. Life in the City.	3a 3c		Key words;
12		What is life like in Africa?	8. Problems in urban areas 9. What are the solutions to Kiberia's problems?	3a 4c	The future for Africa is good. Extended writing	Key words
13		What is life like in Africa?	10. Good news for Africa 11. Good news for Africa write up.	1a, 1b, 2a, 3b, 3c, 4c		Key words
14		What is life like in Africa?	12. Self and Peer assessment of write up. 13. Collect and SA/PA ILT			
Christmas						
15		How is world population changing and what pressures does this create?	1. Population growth 2. Population distribution	1a 3a		Key words; Global city in a box ILT
16		How is world population changing and what pressures does this create?	3. Population structure. 4. Pressures created by an increasing population.	3a 4c 5b		Key words; Global city in a box ILT
17		How is world population changing and what pressures does this create?	5. controlling population. 6. Population assessment	3a 4c	Population assessment	Key words; Global city in a box ILT
18		How is world population changing and what pressures does this create?	7. Why do people migrate? 8. Where do people migrate to?	3a 3b		Key words; Global city in a box ILT
19		How is world population changing and what pressures does this create?	9. What is urbanisation? 10. Urbanisation in Southampton	3a 5a		Key words
20		How is world population changing and what pressures does this create?	11. Knowledge organiser 11. End of unit test		End of unit Knowledge test	
February						
21		How do we influence weather and climate?	1. How does weather effect our lives? 2. How do clouds lead to rainfall?	2c		Key words
22		How do we influence weather and climate?	3. How do we measure weather? 4. Why are some places hotter than others?	2c 5a		Key words
23		How do we influence weather and climate?	6. What are microclimates? 7. Microclimate fieldwork around KHS assessment	2c	Micro climate fieldwork write up	Key words
24		How do we influence weather and climate?	8. What is extreme weather? 9. How does extreme weather impact different people in different ways?	2c		Key words
25		How do we influence weather and climate?	10. What is the difference between global warming and climate change? 11. How is climate change impacting extreme	2c 4a		Key words
26		How do we influence weather and climate?	12. Knowledge organiser 13. Weather and climate end of unit test	2c	Weather End of Unit Test	Key words
Easter						
27		Who is the ultimate global superpower?	1. What makes a suprpower super? 2. Who are World's biggest superpowers?	3c		Key words
28		Who is the ultimate global superpower?	3. Which superpowers would win at Top Trumps? 4. What gives Brazil its superpower status?	3c		Key words
29		Who is the ultimate global superpower?	5. Every superpower has its weakness. 6. Is Russia's size a blessing or a curse?	3c		Key words
30		Who is the ultimate global superpower?	7. How is India transforming itself? 8. Is China the ultimate superpower?	3c 3b		Key words
31		Who is the ultimate global superpower?	9. Does the UK deserve to be a superpower? 10. Knowledge organiser	3c 3b		Key words
32		Who is the ultimate global superpower?	End of unit test		End of unit Knowledge test	
Whitsun						
33		What are the impacts of tourism?	1. What is tourism 2. Development of tourist resorts	3c		Key words
34		What are the impacts of tourism?	3. Effects of tourism. 4. Fieldwork	3c		Key words: Perfect holiday ILT
35		What are the impacts of tourism?	5. Fieldwork 6. Fieldwork	5a 5b		Key words: Perfect holiday ILT
36		What are the impacts of tourism?	FIELD TRIP TO BOURTON on the WATER	5b 4a	Fieldwork write up	Key words: Perfect holiday ILT
37		What are the impacts of tourism?	7. Sustainable tourism 8. Sustainable tourism	5b 4c		Key words: Perfect holiday ILT
38		Enrichment Week	Enrichment week			
39		What are the impacts of tourism?	9. knowledge organiser 10. End of unit test	5b	End of unit Knowledge test	Key words

	Unit	Year 8	Lessons	Curriculum Mapping	Assessment Opportunities	Homework
1		How do ecosystems vary around the world?	1. What is an ecosystem? 2. Adaptations	1b 2c 5a		Key words
2		How do ecosystems vary around the world?	3. Food chains 4. Tropical rainforests	2b 2c		Key words
3		How do ecosystems vary around the world?	5. Amazon climate graph	2c		Key words: Biome in a box ILT
4		How do ecosystems vary around the world?	6. Kayapo tribe 7. Uses of the rainforest	3d 4b		Key words: Biome in a box ILT
5		How do ecosystems vary around the world?	8. sustainable management of the rainforest 9. sustainable management of the rainforest	3d		Key words: Biome in a box ILT
6		How do ecosystems vary around the world?	10. Deserts 11. Desertification	4b 4c	Biome in a box ILT	Key words: Biome in a box ILT
7		How do ecosystems vary around the world?	12. UK ecosystems 13. UK ecosystems	1b 2c		Key words
8		How do ecosystems vary around the world?	14. Knowledge organiser 15. End of unit test	2c	End of topic test	Key words
October						
9		How has globalisation impacted world development?	1. What is globalisation? 2. What are the different job sectors	3b		Key words;
10		How has globalisation impacted world development?	3. What is development? 4. How does development vary	3b 3c		Key words;
11		How has globalisation impacted world development?	5. What factors impact world trade? 6. What theories are there relating to development?	3b		Key words;
12		How has globalisation impacted world development?	7. What is New India? 8. Why is everyone in India moving to the city?	3a 3b 3c		Key words;
13		How has globalisation impacted world development?	9. What is it like to live in informal housing in India? 10. What does the future hold for Mumbai?	1a 3a 3b		Key words
14		How has globalisation impacted world development?	11 and 12 - What are the sustainable development goals?	1c 3b 4c	Development goals assessment	Key words
15		How has globalisation impacted world development?	Globalisation review			
December						
16		Do we live in a hazardous world?	1. Structure of the earth. 2. Plate boundaries.	1a 2a 5a		Key words; Tectonic hazard article ILT
17		Do we live in a hazardous world?	3. How do plates move? 4. Continental drift.	2a		Key words; Tectonic hazard article ILT
18		Do we live in a hazardous world?	5. Volcanoes and types of volcanoes. 6. Why do people live near Volcanoes?	2a 4b		Key words; Tectonic hazard article ILT
19		Do we live in a hazardous world?	7. Mount St Helens. 8. Mount St Helens assessment	2a	ILT assessed	Key words; Tectonic hazard article ILT
20		Do we live in a hazardous world?	9. Supervolcanoes. 10. Distribution of earthquakes.	1a 2a		Key words
21		Do we live in a hazardous world?	11. Japan Earthquake. 12. Haiti Earthquake.	2a		Key words
February						
22		Do we live in a hazardous world?	13. Tsunami 14. Volcanic Hazard Mapping.	2a 1a 4a, 5a		Key words
23		Do we live in a hazardous world?	15. Earthquake proof buildings assessment. 16. Boxing Day Tsunami	2a 4a		Key words
24		Do we live in a hazardous world?	17 Knowledge organiser 18. End of Unit test.		End of unit test	Key words
25		How do glaciers, rivers and coasts influence the landscape?	1. What is a glacier & Glacial processes 2. Glacial landforms	2d		Key words
26		How do glaciers, rivers and coasts influence the landscape?	3. How do people use glaciers? 4. Glaciation Assessment	2d 3c 3d		Key words
27		How do glaciers, rivers and coasts influence the landscape?	1. Water cycle and drainage basic. 2. From source to mouth	2d	Glaciation assessment	Key words; Rivers Research project ILT

April							
28	How do glaciers, rivers and coasts influence the landscape?	3. Meanders & Waterfalls 4. Why is the Dead Sea shrinking?	2a	4a	2d		Key words; Rivers Research project ILT
29	How do glaciers, rivers and coasts influence the landscape?	1. What is a coast? 2. What is a coast used for?	2d	4b			Key words; Rivers Research project ILT
30	How do glaciers, rivers and coasts influence the landscape?	3. How are waves formed? 4. Coastal erosion	2b				Rivers ILT Key words
31	How do glaciers, rivers and coasts influence the landscape?	5. Headland erosion 6. Managing the coast	2d	3d			Key words, Knowledge organiser
32	How do glaciers, rivers and coasts influence the landscape?	7. Climate change. 8. Coastal problems for the Maldives.	4a	2c			End of unit test Key words
May							
33	Why is Russia a global force?	1. What is Russia like 2. Is Russia a pioneer of it's own geography?	1a	1b	5a	3d	Key words
34	Why is Russia a global force?	3. What is conflict? 4. What has happened that is significant in the Ukraine war?	1c	5a			Classroom questioning Key words
35	What is the geography of Japan?	1. Where is Japan? 2. What is Japan like?	1a	1c	5a		Key words
36	What is the geography of Japan?	3. What ecosystems does Japan have? 4. What is Tokyo like?	1b	1c	3a		Key words
37	What is the geography of Japan?	5. What is Japans population structure like? 6. What industry is in Japan?	2a	4a			Challenges of living in Japan article Key words
38	Enrichment week						
39	What is the geography of Japan?	7. How has Japan changed? 8. End of unit test	3b	3c			End of unit test Key words

Unit	Year 9	Lessons	Curriculum Mapping				Assessment Opportunities	Homework
1	Thinking like a Geographer	Geography in the news	3a	3b	3c		Key words	
2	Thinking like a Geographer	How are you connected to the World, Mobile phones	1a	1c			Key words	
3	Thinking like a Geographer	Mapping Skills	5a				Key words	
4	Thinking like a Geographer	Maps	5a				Key words	
5	Thinking like a Geographer	Why is numeracy important in Geography	5b				Key words	
6	Thinking like a Geographer	Amazing achievements	1a	3a	3b		Key words and Climate change ILT	
7	Thinking like a Geographer	What isn't right in the World?	1c				Key words and Climate change ILT	
8	Thinking like a Geographer	Assessment & DIRT					Thinking like a geographer test Key words and Climate change ILT	
October								
9	Built up World	What are the links between urban and rural spaces and how have these changed over time?	1a	1b	1c	3a	Key words and Climate change ILT	
10	Built up World	What are the links between urban and rural spaces and how have these changed over time?	1a	1b	1c	3a	Key words; ILT	
11	Built up World	What are the links between urban and rural spaces and how have these changed over time?	1a	1b	1c	3a	Key words;	
12	Built up World	What challenges do population changes create in rural and urban spaces?	3a	4c	5a		Key words;	
13	Built up World	What challenges do population changes create in rural and urban spaces?	3a	4c	5a		Impacts of commuting essay questions Key words;	
14	Built up World	What challenges do population changes create in rural and urban spaces?	3a	4c	5a		Key words;	
15	Built up World	What challenges do population changes create in rural and urban spaces?	3a	4c	5a		Key words;	
December								
16	Pressures of population & Economic change	Changing population in the UK	1a	1c	3a		Key words	
17	Pressures of population & Economic change	Changing population in the UK	1a	1c	3a		Key words	
18	Pressures of population & Economic change	Impacts of an increasing population in the UK	3a	4a	4c		DME -Brownfield V Greenfield sites Key words	
19	Pressures of population & Economic change	Impacts of an increasing population in the UK	3a	4a	4c		Key words	
20	Pressures of population & Economic change	Urban regeneration & Birmingham case study	3a	4a	4c		Key words	
21	Pressures of population & Economic change	Retail changes	3a	4c			Counter urbanisation and pressures on greenbelt extended writing piece Key words and Rainforest ILT	
February								
22	The rise of the global city	Urbanisation and urban growth	1c	3a	3b	3c	Key words and Rainforest ILT	
23	The rise of the global city	Urbanisation and urban growth	1c	3a	3b	3c	Key words and Rainforest ILT	
24	The rise of the global city	Globalisation & Global cities	1c	3a	3b	3c	Key words and Rainforest ILT ILT	
25	The rise of the global city	Globalisation & Global cities	1c	3a	3b	3c	Changing social and economic patterns in urban areas. Key words	
26	The rise of the global city	Globalisation & Global cities	1c	3a	3b	3c	Key words	
27	The rise of the global city	Knowledge organiser					Knowledge Test Key words	
April								
28	Natural World - Distinctive landscapes	Complex landscapes	1b	2a	2b	5a	Key words	
29	Natural World - Distinctive landscapes	Complex landscapes	1b	2a	2b	5a	Key words	
30	Natural World - Distinctive landscapes	Human impact on complex landscapes	1b	4a	4b		Imapct of tourism on Honeypot sites extended writing Key words	
31	Natural World - Distinctive landscapes	Human impact on complex landscapes	1b	4a	4b		Key words	
32	Natural World - Distinctive landscapes	Management of complex landscapes	4c				Key words	
May								
33	Natural World - Rivers and Flood management	The importance of geographical processes in creating river landforms	1b	2b	2d		Key words	
34	Natural World - Rivers and Flood management	The importance of geographical processes in creating river landforms	1b	2b	2d		Key words	
35	Natural World - Rivers and Flood management	The importance of geographical processes in creating river landforms	1b	2b	2d		Key words	
36	Natural World - Rivers and Flood management	The importance of geographical processes in creating river landforms	1b	2b	2d		Rivers test Key words	
37	Natural World - Rivers and Flood management	How human and physcial features link to flooding	2d	4a			Key words	
38	Enrichment week							
39	Natural World - Rivers and Flood management	How human and physcial features link to flooding Knowledge organiser	2d	4a			Knowledge test Key words	

KS3 Key knowledge	
1a	Spatial understanding
1b	Environmental regions
1c	Links between plaecs
2a	Geological timescales & plate tectonics
2b	Rock, weathering and soils
2c	Weather & climate
2d	Glaciation, hydrology & coasts
3a	Population & urbanisation
3b	development & globalisation
3c	Economic activity
3d	Use of natural resources
4a	Interaction of human & physical resources to change landscapes and climate
4b	Human activity relies on natural systems
4c	sustainable development
5a	Knowledge & interpretation of maps, use of GIS
5b	Knowledge & use of data, graphs & fieldwork
