

Vision summary/ Curriculum intent:

Week	Unit	Year 10	Assessment	Homework
1	Landscapes and physical processes	River processes and landforms recap		Key words plus additional
2		River processes and landforms recap		Key words plus additional
3		Coastal processes		Key words plus additional
4		Coastal processes		Key words plus additional
5		Geology and coasts		Key words plus additional
6		Erosional landforms		Key words plus additional
7		Depositional landforms		Coasts Assessment
<b>October</b>				
8	Landscapes and physical processes	Causes of coastal change		Key words, knowledge organiser
9		Coasts and fieldwork	Coasts end of unit knowledge test	Key words plus additional
10	Tectonics	Large scale tectonic processes		Key words plus additional
11		Destructive boundaries and their large scale features		Key words plus additional
12		Constructive boundaries and their large scale features		Key words , knowledge organiser
13		Types of volcano, Rift valleys, hot spots and geysers		Key words plus additional
14		Small scale volcanic features	End of unit knowledge test	Key words plus additional
<b>Christmas</b>				
15	Tectonics	Volcanic hazards		Key words plus additional
16		Earthquakes and tsunamis,	Tectonics test	Key words plus additional
17	Development	Development and globalisation		Key words plus additional
18		Development and globalisation		Key words plus additional
19		MNCs	Assessment point 1 - Outsourcing assessed piece	Key words plus additional
20		MNCs		Key words plus additional
<b>February</b>				
21	Development	Challenges of trade		Key words plus additional
22		Development and tourism		Key words plus additional
23		Managing development fairly	Assessment point 2 - Trade 8 marker	Key words plus additional
24		Managing development fairly		Key words plus additional
25		Water use and water footprints		Key words plus additional
26		Water security		Key words plus additional
<b>Easter</b>				
27	Development	Water security		Key words plus additional
28		Alternative ways to manage water use		Key words plus additional
29		Over abstraction	Assessment point 3 - World water consumption	Key words plus additional
30		Regional inequality in India		Key words plus additional
31		North south divide		Key words , knowledge organiser
32		Managing regional disparity	End of unit knowledge test	Key words plus additional
<b>Whitsun</b>				
33	Physical Fieldwork	Bishops Wood Geography Fieldtrip		Key words plus additional
34		Physical Fieldwork write up		Key words plus additional
35		Physical Fieldwork write up		Key words plus revision
36		Revision for mocks		Key words plus revision
37		Revision and mock exam	Mock exam - Paper 1	Key words plus additional
38	<b>Enrichment week</b>			Key words plus additional
39		Mock feedback and DIRT		Key words plus additional

Unit	Year 11	Assessment	Homework
Development	Development recap		Key words plus additional
	Development recap		Key words plus additional
Weather, climate and ecosystems	Climate change		Key words plus additional
	Climate change		Key words plus additional
	Extreme weather		Key words plus additional
	Extreme weather	Assessment point 1 - Tropical storms	Key words plus additional
	UK Climate		Key words plus additional
Weather, climate and ecosystems	UK Climate	Assessment point 2 - Changes in air pressure	Key words, past paper booklet
Human Geography Fieldwork	Bishops Wood Fieldtrip		Key words, past paper booklet
	Fieldwork write up		Key words, past paper booklet
	Fieldwork write up		Key words plus revision
Mocks	Revision for mocks		Key words plus revision
	Revision for mock exams	Mock exam - Paper 1 and 2	Key words, past paper booklet
	Mock feedback and DIRT		Key words, past paper booklet
Weather, Climate and Ecosystems	UK Climate		Key words, past paper booklet
	Ecosystems		Key words, past paper booklet
	Ecosystems		Key words, past paper booklet
	Ecosystems	Assessment point 3 - Processes in ecoystems	Key words, past paper booklet
	Ecosystems		Key words, knowledge organiser
	Ecosystems	End of unit knowledge test	Key words, past paper booklet
Environmental challenges	Ecological footprints		Key words, past paper booklet, revision
	The human impact on ecosystems		Key words, past paper booklet, revision
	Climate change and management		Key words, past paper booklet, revision
	Management of ecosystems		Key words, past paper booklet, revision
	Impacts and types of tourism	Assessment point 1 - Human impact on ecosystems	Key words, knowledge organiser
	Managing tourism	End of unit knowledge test	Key words plus revision
Mocks	Revision for mock exams		Key words plus revision
	Mock feedback and DIRT	Mock exam - Paper 3	Key words, past paper booklet, revision
Revision			Key words, past paper booklet, revision
			Key words, past paper booklet, revision
			Key words, past paper booklet, revision
			Key words, past paper booklet, revision
