Homecoming

We will not have school on Friday, Sept. 22nd of Homecoming Week. That is parade day! Our classes will once again make floats for the parade. It is a very exciting time, and we are looking forward to all the awesome floats. We ask parents to bring their students to the school at 12:00 Noon on Friday if they wish to ride on the float in the parade. Letters and notices will be going home prior to this week. Please keep your eyes open for more information as this is NOT a school day.

The mission of our school is for each student to demonstrate proficiency in our academic standards. We believe all students have the ability to learn, each student is an individual learner, errors are a part of the learning process, and frequent evaluation influences instruction.
