7th GRADE IMMUNIZATION REQUIREMENTS **2020-2021 SCHOOL YEAR**

Tetanus, Diphtheria and acellular pertussis-containing Vaccine (Tdap): All students entering the 7th grade will be required to have **one dose of the Tdap Vaccine**. Students in the 7th grade will be required to have a booster dose of Tdap only if it has been at least five years since their last dose of Tetanus-containing vaccine.

Meningococcal Vaccine: All students entering the 7th grade will be required to have **one dose of the Meningococcal Vaccine**.

These immunizations will be due by the first day of school. Please make arrangements for your child to receive these before the first day of school. If the student does not have the required immunizations, they will have to be sent home from school. Once your child has received the immunizations, please submit a copy of the updated immunization record to the Campbell School Office. If you have any questions, please contact me at - (903) 862-3250, or you can e-mail me at csweeney@campbellisd.org.

Thank you so much!!
