

Camila

Class of 2024

From: Bronx, NY

First Year at HM: 6th Grade

Favorite Classes: I like different aspects of each class I have taken, but my favorite classes have been Latin American History, Studies in Spanish: Ficciones del Sur, and Physics.

Activities: Treble Choir, Water Polo (Co-ed team and Girls Club), Latinx Advocacy Club, Horace Mann Music Outreach, Crafts for Cancer.

Favorite Spot on Campus: The Identity, Culture, and Institutional Equity (ICIE) office.

Out-of-School Activities: I love playing club Water Polo, but I also like volunteering at Summer on the Hill, crocheting, and spending time with my two cats!

Why HM?: I wanted to go to HM because of the resources that it provides its students and because of its academic rigor. Coming from a public school I felt that I was not being challenged enough and HM more than satisfied my academic curiosity. The reasons why I chose HM still apply to why I choose to stay but I also stay because of the welcoming, supportive environment in and outside of the classroom that is created by the students and faculty alike.

Favorite Things About HM: The pool, the teachers' enthusiasm to teach, and the resources the school provides to support our academics and our passions.

Favorite HM Event: Unity Week- a week full of workshops dedicated to discussing and educating about different identities.
