

Naomi

Class of 2024

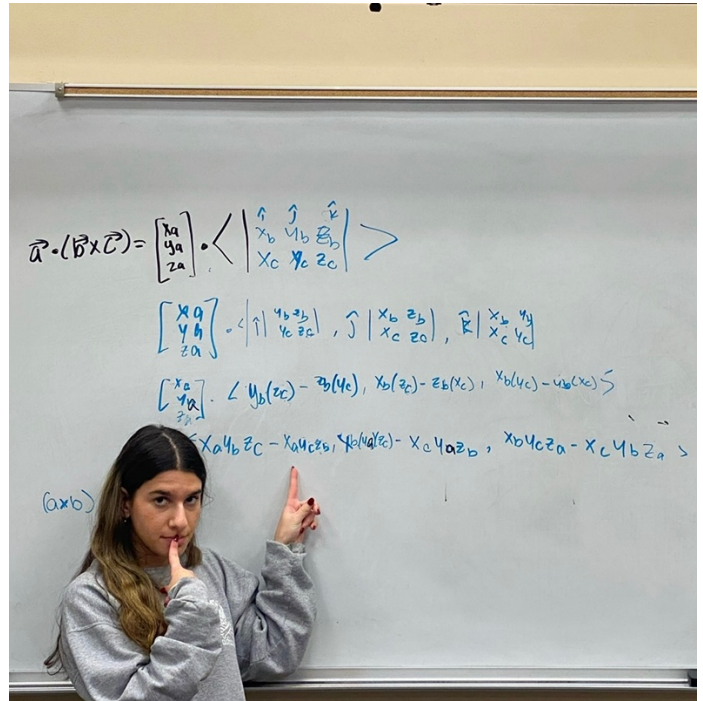

From: Manhattan, NY

First Year at HM: 4th Grade

Favorite Classes: Art of Data (go compsci!!!), English 11 (go Virginia Woolf!!!), Atlantic World History (the bedrock of my paper-writing skills.)

Activities: Field hockey, public forum debate, journalism for Folio 51 (feminist magazine).

Favorite Book: *Mrs. Dalloway* (English class discussions about Mrs. Dalloway were glorious).

Favorite Cafeteria Food: Breakfast bacon egg and cheese sandwiches (couldn't have survived A period physics without them).

Why HM?: HM facilitates a unique atmosphere where the other students in your classes are just as excited to learn and share their ideas as you are. Learning here is genuinely fun and all the teachers here are extremely supportive and interested in your success. Everyone truly represents our core value of "Life of the Mind"!!

Favorite Spot on Campus: Tables in front of Spence cottage on a sunny day (Van Cortlandt Park views while doing homework are *incomparable*).

Most Underrated Thing about HM: The wild amount of books on the second floor of the library (you want, WE probably got it!).

Best Food at the International Food Festival: Vietnamese iced coffee (not exaggerating, it runs out the moment the Food Festival begins).
