

FCAHS Advanced Placement (AP) Course Offerings

The Advanced Placement (AP) Program gives students the opportunity to pursue college-level studies while still in high school. Students may receive advanced placement and/or credit upon entering college for their score on a national AP exam given in May. AP courses are weighted in computing QPA. Fox Chapel Area High School offers AP courses in:

Art History	German Language
Biology	Government & Political Science
Calculus AB	Human Geography
Calculus BC	Latin Literature
Chemistry	Music Theory
Computer Science A	Physics C Electricity
Computer Science Principles	Physics C Mechanics
Economics (Macro)	Psychology
Economics (Micro)	Spanish Language & Culture
Environmental Science	Statistics
English Language (11)	Studio Art 2D, 3D, Drawing
English Literature (12)	United State History
European History	World History
French Language	

Upon student request through CollegeBoard, grade reports are sent in early July to each student's home address, school, and to his/her college. Many colleges grant credit and/or advanced placement to students whose AP exam grades are considered acceptable. Students who choose to take an AP exam must register to do so and assume the related costs. Refer to individual course offerings in the course description guide for additional information or visit <https://ap.collegeboard.org/>.
