The strategies will (mark all that apply)

- Provide opportunities for all children, including subgroups of students, to meet the challenging Missouri Learning Standards.

Description of how strategy/strategies will provide

A regular review of student data and effective instructional practices help our staff assist students to meet the challenging Missouri Learning Standards. These also encourage student monitoring of their own learning goals and progress.

- Use methods and instructional strategies that strengthen the academic program in the school.

Description of how strategy/strategies will strengthen

*Instructional strategies centered on intentional work surrounding essential learning standards, formative data, and the need to adjust our practices to ensure each student achieves mastery through the use of Multi-Tiered Systems of Support. Teachers engage in professional learning communities by collaborating over student data and generating plans of action to address when students already know the standards and when they do not.*
